### NOTES:

- 1. A member who is entitled to attend and vote at the meeting is entitled to appoint another person (such person need not be a member) as his proxy to attend instead of himself at the meeting. However, the proxy shall not have the right to speak at meeting and shall not be entitled to vote except on a poll.
- 2. The instrument of proxy, in order to be effective, should be deposited at the registered office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting. A proxy form is annexed to this report.
- 3. During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged at any time during the business hours (between 10:00 A.M. and 5:30 P.M.) of the Company, provided that not less than three days of notice in writing is given to the Company.
- 4. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote at the Meeting.
- 5. A person can act as proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the company carrying voting rights.
  - Provided that a member holding more than ten percent, of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other person or shareholder.
- 6. Corporate Members intending to send their authorized representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company, a certified copy of the relevant Board resolution together with their respective specimen signatures authorizing their representative(s) to attend and vote on their behalf at the Meeting.
- 7. Members/ proxies should bring filled Attendance Slip enclosed herewith to attend the meeting.
- 8. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013, will be made available for inspection by members of the Company.
- 9. The Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Companies Act, 2013 will be made available for inspection by the members of the Company.
- 10. Members are advised, in their own interest, to convey to the Company at the earliest opportunity, any change in their postal addresses. They are also advised to typewrite their names and if they write in hand they must write their names and addresses in capital letters.
- 11. An explanatory statement pursuant to Section 102 of the Companies Act, 2013, relating to Special Business to be transacted at the Meeting is annexed hereto and forms part of this notice.
- 12. All the documents referred to in the Notice are open for inspection at the Registered Office of the Company between 10.00 a.m. to 1.00 p.m. on all days except Sunday and Holidays until the date of the Annual General Meeting or any adjournment(s) thereof.
- 13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to M/s. MCS Share Transfer Agent Limited (Registrar & Transfer Agent), F-65, Okhla Industrial Area, Phase I, New Delhi 110020 or to the Company.
- 14. Ministry of Corporate Affairs has taken Green Initiative and allowed the Companies to send Notice of Annual General

Meeting, Balance Sheet and Auditors Report etc. to members of the Company as required under Section 101 and Section 136 of the Companies Act, 2013 though electronic mode. **Members are requested to send their email addresses to the Company at its registered office or to the Registrar & Transfer Agent.** Members who have not registered their e-mail address with the Company are requested to register the same by submitting the letter to M/s. MCS Share Transfer Agent Limited, F-65, Okhla Industrial Area, Phase I, New Delhi – 110020.

- 15. In accordance with the provisions of Section 72 of the Companies Act, 2013, members are entitled to make nominations in respect of the Equity Shares held by them, in physical form. Members desirous of making nominations may procure the prescribed form from the Registrar & Share Transfer Agent M/s. MCS Share Transfer Agent Limited and have it duly filled and sent back to them.
- 16. Electronic copy of the Annual Report is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Annual Report is being sent in the permitted mode.
- 17. Electronic copy of the Notice of the 38th Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Notice of the 38th Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent in the permitted mode.

B) Login Method for e-Voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

### How to Log-in to NSDL e-Voting website?

- 1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <a href="https://www.evoting.nsdl.com/">https://www.evoting.nsdl.com/</a> either on a Personal Computer or on a mobile.
- 2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/ Member' section.
- 3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
  - Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <a href="https://eservices.nsdl.com/">https://eservices.nsdl.com/</a> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
- 4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with	8 Character DP ID followed by 8 Digit Client ID
NSDL.	For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with	16 Digit Beneficiary ID
CDSL.	For example if your Beneficiary ID is 12******** then your user ID is 12************************************
c) For Members holding	EVEN Number followed by Folio Number registered with the company
shares in Physical Form.	For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

- 5. Password details for shareholders other than Individual shareholders are given below:
  - a) If you are already registered for e-Voting, then you can user your existing password to login and cast your vote
  - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
  - c) How to retrieve your 'initial password'?
  - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
  - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders** whose email ids are not registered.

- 6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
  - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
  - b) <u>Physical User Reset Password</u>?" (If you are holding shares in physical mode) option available on <u>www.evoting.nsdl.com.</u>
  - c) If you are still unable to get the password by aforesaid two options, you can send a request at <a href="mailto:evoting@nsdl.co.in">evoting@nsdl.co.in</a> mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
  - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- 7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- 8. Now, you will have to click on "Login" button.
- 9. After you click on the "Login" button, Home page of e-Voting will open.

### Step 2: Cast your vote electronically on NSDL e-Voting system.

### How to cast your vote electronically on NSDL e-Voting system?

- After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
- 2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period.
- 3. Now you are ready for e-Voting as the Voting page opens.
- 4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- 5. Upon confirmation, the message "Vote cast successfully" will be displayed.
- 6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- 7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

### **General Guidelines for shareholders**

- Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/ JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to <a href="mailto:cs.ranjeet@gmail.com">cs.ranjeet@gmail.com</a> with a copy marked to <a href="mailto:evoting@nsdl.co.in">evoting@nsdl.co.in</a>. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
- 2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the <u>"Forgot User Details/Password?"</u> or "<u>Physical User Reset Password?</u>" option available on www.evoting.nsdl.com to reset the password.
- 3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of <a href="www.evoting.nsdl.com">www.evoting.nsdl.com</a> or call on: 022 4886 7000 and 022 2499 7000 or send a request at <a href="evoting@nsdl.co.in">evoting@nsdl.co.in</a>

Process for those shareholders whose email ids are not registered with the depositories/company for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

- In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to <a href="mailto:gdi.stakeholder@gknautomotive.com">gdi.stakeholder@gknautomotive.com</a>
- 2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to <a href="mailto:gdi.stakeholder@gknautomotive.com">gdi.stakeholder@gknautomotive.com</a> If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. Login method for e-Voting for Individual shareholders holding securities in demat mode.

- Alternatively shareholder/members may send a request to <u>evoting@nsdl.co.in</u> for procuring user id and password for e-voting by providing above mentioned documents.
- 4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

### **Other Notes**

- Shareholders who have so far not encashed their dividend paid by the Company upto the financial year ended March 31, 2023, may immediately approach the Company / RTA for claiming dividend amount. The details of unclaimed dividend can be accessed by contacting Mr. Harish Bansal @ <u>Harish.Bansal@gknautomotive.com</u>, Asst Manager Finance of the Company.
- Pursuant to Finance Act, 2020, dividend income will be taxable in the hands of Shareholders w.e.f. April 01, 2020 and the Company is required to deduct tax at source at the prescribed rates from dividend to be paid to shareholders. For the prescribed rates under various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode). A resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%.
- Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits.
- Above documents can be provided by sending an email to <a href="mailto:admin@mcsregistrars.com">admin@mcsregistrars.com</a>

### **EXPLANATORY STATEMENT**

The following Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 as amended to date sets out all material facts relating to the business mentioned at item nos. 5,6,7,8 and 9 in the accompanying Notice.

The focus in 2022-23 continued to be on maintenance of harmonious industrial relations, people safety and flexing business operations as per market changing conditions. Last year had been challenging year with industry recovering from Covid and global supply chain concerns.

Faridabad & Dharuhera - Dharuhera plant Awarded with "Certification of Appreciation" from Honda in delivery of Spare Parts.(April 2022-September 2022). Dharuhera Plant Awarded "Quality Olympics Platinum" award in recognition of quality excellence from GKN Automotive. Dharuhera Plant achieve milestone of "Zero" Quality Concerns for the period April 2022 to March 2023 from Customers – MSIL, Honda & SMG. IATF - 16949 surveillance audit conducted successfully at both plants, no major non-conformance. EHMS Surveillance audit ISO14001 & ISO 45001 conducted successfully at both plants without any non-compliance

Pune and Kadi – PUN plant won "Platinum Award" & Kadi plant won "Silver Award" in GKN Quality Olympics Award. IATF 16949:2016 Surveillance Audit-1 completed successfully with Zero NC at both plants. Tata motors PCPA system audit completed with no major observations & rating of "Green-91%" in Q1 2023 at Pune.

Oragadam - ORA won "Platinum and Gold Awards in Karakuri Kaizen competitions in the Quality Circle Forum of India (QCFI) of Chennai chapter during the year. Further, the plant also participated in the Quality Circle Forum of India (QCFI) of

Chennai chapter Convention Events Quality Circle Case Study Presentation and WON Two Gold Awards. It also received Quality Olympic Platinum Award for 2022 from GKN Automotive and Toyota award for Zero PPM in 2022. The plant retained status of Level 1 Supplier for Renault Nissan.

### AMOUNT PROPOSED TO BE CARRIED TO RESERVES

No amount was transferred to reserves during the year.

### **DIVIDEND**

The Board of Directors of the Company at its meeting held on 14th December 2022, declared an interim dividend of INR 69 per equity share (690%) of face value of INR 10 each for the year 2022-23. Same shall be considered as final dividend for FY 2022-23.

### INDEPENDENT AUDITORS AND AUDITORS' REPORT

M/s. Deloitte Haskins & Sells LLP, Gurugram are the Statuatory auditors of the Company. The Report given by the Auditors (DHS) on the financial statements of the Company is part of the Annual Report. There has been no qualification, reservation, adverse remark or disclaimer given by the Auditors in their Report.

### FOREIGN EXCHANGE EARNING AND OUTGO

### Capital and other commitments:

(Rs in Mn)

Particulars	As at 31.03.2023	As at 31.03.2022
Capital commitments		
(a) Estimated value of contracts in capital account remaining to be executed.	113.18	88.45

### **FOREIGN CURRENCY OUTFLOW IN 2022-23**

Foreign Currency	FC Value in Mn	INR in Mn
EUR	4.63	402.44
USD	9.07	727.15
JPY	98.10	59.38
GBP	1.61	157.90

### **FOREIGN CURRENCY INFLOW IN 2022-23**

Foreign Currency	FC Value in Mn	INR in Mn
USD	7.07	566.39

### **CHANGE IN NATURE OF BUSINESS**

There was no change in the nature of business during the year.

### **CONSERVATION OF ENERGY**

### Steps taken and impact on conservation of energy:

During the year 2022-23, Company initiated various steps for conserving electricity.

### FAR

- Replacement of Energy efficient Motor of Shop Floor FDV's with old induction motor.,
- Installation of Inverter type 5 Star rating energy efficient air conditioners.
- Solar power plant of 200KWp generated 0.211 Mn KWH power in FY 2022-23.
- Compressed air leakages controlled in the plant and saved 0.14 Mn KWH in FY 2022-23
- Auto timer system installed in M/cs / air conditioners / lights etc.
- Investment INR 2.1 Mn (Inverter AC 5\* rating 1.1 Mn + Energy efficient motors +solar + LED Light Etc 1.0 Mn)

### DHA

- Energy consumption reduced through Cooling Tower fans controlled by thermocouples which is automatically
  operated with water temperature requirement Saved 94.353 Mwh.
- Energy consumption reduced with Compressor load / unload pressure optimization from 6 Bar to 5 Bar by providing shut off valves in Main air line on Machines & by arresting air leakage on m/c's in shop floor – Saved 27.653 Mwh.
- Energy consumption reduced in washing m/c's -1 & 2 by controlling with sensor at inlet & outlet in Shaft cell 1 & 2.
   Prevent Idle running of machine Saved 1.510 Mwh.
- Energy saving through Bed switch providing for lights on/off on machines as per requirement Saved 7.580 Mwh.
- Energy Consumption also reduced by shut down cooling tower during Sample cutting process and cooling tower run with single pump instead of two pumps during winter season **Saved 13.304 Mwh**.

### PUN

- Plate type heat exchanger (PHE) to cool neat cutting / coolant. (8 Nos M/c's)- Saved 0.159 Mn units.
- Compressor load / unload pressure optimization & leakage prevention without any investment Saved 0.002 Mn units.
- Cooling Tower fan auto operation-based on water temperature requirement Saved 0.032 Mn units.
- Implementation of 3D coils on FOR cell Induction hardening machines Saved 0.012 Mn units
- Modification stem coil on Tulip-3 & 4 cell Induction hardening machines Saved 0.018 Mn units.
- Improving cycle time on FOR-1 & 2 EFD machines—Saved 0.056 Mn units
- Replacement Pneumatic pumps by electrical pump on IR-2 Track 1 & 2 grind machines- Saved 0.04 Mn Units
- Investment INR 2.8 Mn

### KAD

Energy consumption reduction by activating timer for Dock lights

Energy Savings - 4752 Kwh / Year

Cost Savings - 0.035 Mn/Year

Energy consumption reduction by activating timer for Shop floor lights

Energy Savings - 13068 Kwh / Year

Cost Savings - 0.098 Mn/Year

HVAC Water & energy consumption reduction by mounting ball valve in water tank

Water Savings - 7488 liters / Year

Cost Savings - 0.002 Mn/Year

Domestic Water & energy consumption reduction by mounting ball valve in water tank

Water Savings - 31200 liters / Year

Cost Savings - 0.005 Mn/Year

### ORA

- Cooling Tower Pump and Fan Optimization 340 Kwh/Day
- ACO 2 hard turning operation skip and Optimization 153 Kwh/Day
- CVJ Air Compressor Pressure reduction and Leak Arresting 48 Kwh / Day
- Lighting Motion Sensor for Assy 6.9 Kwh/day
- Cage 2 Id grinding machine power pack merging 21 Kwh/Day
- Canteen Auto Power cut off 24 Kwh/ Day
- OLTC Auto to Manual Mode 493 Kwh / Day
- LST Chiller energy Optimization 42 Kwh/day
- Track 3 Chiller Modification 21 Kwh /day
- Gravity Water control for Sipcot Water 96 Kwh /Day
- Roof sheet change and Using Sun light in Day time\_EB Room and ACO2 and GiO lines 24 KWh/Day

### **TECHNOLOGY ABSORPTION**

The Company maintains interaction with GKN Group internationally. The benefits derived by the Company through technology absorption and Research & Development are detailed in **Annexure A** with this Report. Company continuously imports technology from GKN Group under the Technical Collaboration Agreement and the same is fully absorbed. Company is receiving support and guidance from GKN Group to drive functional excellence in marketing, human resource, application engineering, supply management and information technology, among others, which helps Company to remain competitive and further step-up its overall business performance. GKN is committed to ensuring that the support in terms of new products, innovations, technologies and services is commensurate with the needs of the Company and enables it to continue as market leader.

### **AUTOMOTIVE INDUSTRY AND OUTLOOK:**

### **Indian Automotive Industry FY 2023**

As per the numbers released by apex industry body SIAM, cumulative sales of four vehicle segments – passenger vehicles, commercial vehicles, and two- and three-wheelers – totalled 2,12,04,162 units or a shade over 21 million units.

While this constitutes 20% year-on-year growth (FY2022: 1,76,17,606 units), it is still to match pre-Covid FY2020 levels of 2,15,48,494 units and considerably below the best-yet FY2019's 2,62,66,179 units. Nevertheless, after two consecutive fiscals of below 20-million sales, overall numbers are back in growth mode. The year started with supply chain disruptions from the Ukraine conflict. However, with efficient management of supply chains and better availability of commodities, especially for the electronics items, prices have moderated over the year though it remains a concern. Favourable policy initiatives ranging from impact of new PLI schemes, encouraging announcements in the Budget, forward-looking logistics and foreign trade polices and the recently announced gas pricing guidelines would go a long way in supporting the growth of the Industry.

### Passenger Vehicles: 38,90,114 units / up 27%

The passenger vehicle segment is the sole segment which has maintained a strong growth trajectory over the past few years, recording high-level double-digit growth. Pin that down to the surging demand for UVs, SUVs and MPVs. Of the total 3.89 million units sold in FY2023, the UV sub-segment accounted for a shade more than 2 million units or 51.50% of total PV sales, registering 35% YoY growth. Overall though, the PV segment continued to fire on all cylinders in FY2023 surpassing the previous best of 3.37 million units in FY2019 by a sizeable margin and bids fair to cross the 4-million mark in FY2024, given the sustained demand for UVs.

### Commercial Vehicles: 962,468 units / up 34% YoY

Growth for the CV industry comes in four-year cycles and thus, when FY2023 data reveals that combined commercial vehicle sales clocked 962,468 units, an increase of 34% over FY2022's 716,566 units, there is reason for cheer. This is the industry's best performance in four years but a tad less than the industry's best-yet show in FY2019 when it surpassed a million units: 10,07,319.

The massive government as well as private sector spend in infrastructure development, mining and related activities is leading to fresh demand, particularly for HCVs, even as replacement demand is up and about with a vengeance as MCV operators scramble to update their fleets.

The huge boom in e-commerce activity and the resultant demand for optimized hub-and-spoke-driven last-mile deliveries across the country is reflected in 554,585 LCVs being retailed in FY2023, accounting for 59% of total CV sales.

### Three-wheelers: 488,768 units / up 87% YoY

Three-wheelers, along with two-wheelers, are the growth drivers of the electric vehicle industry in India and that's reflected in total EV sales of 30,134 units, up 155% (FY2022: 11,855 units). This also means the share of EVs in this segment is now at 6.16%, up from 4.53% a year ago.

### Two-wheelers: 1,58,62,087 units / up 17% YoY

The segment on two wheels only clocked total wholesales of over 15.8 million units with 17% YoY growth. While this is better than FY2022's 13.5 million units, it is less than FY2021's 15.1 million units, FY2020's 17.4 million units and considerably less than the best-yet number of 21.1 million units in FY2019.

Vehicle Category	Dome	stic Market Wi	nolesales

### India Auto Inc on growth road in FY2024

Given the current momentum, FY2024 is looking good at this stage albeit the rate of growth will moderate from the high double digits to single digit on the high base of FY2023

While there are challenges, expect the entire automobile industry to overcome them and grow in FY2024. The government's move to lower CNG prices is a positive move as it will now drive more sales of CNG trucks and cars, as their operating cost will be lesser, and customers will increasingly opt for this greener fuel option.

### **HUMAN RESOURCES**

Human Resource Development focuses on the following strategic priorities:

- 1. Partnering Business for Organisation Effectiveness
- 2. Employee Experience and Employee Engagement
- 3. Talent Acquisition, Development and Succession Plan
- 4. Equity, Diversity, and Inclusion
- 5. Employee and Industrial Relations

The HR strategy focuses on driving a performance-driven environment where innovation is encouraged, performance is recognized, and employees are enabled and empowered to optimize their performance and potential. The Company

believes in a strong performance driven culture. With an aim to align individual competencies with available organizational opportunities, the Company continues to provide performance development support for employee development and organizational growth. Regarding industrial relations, the Company continues to manage the process by aligning workforce with business.

### 1) Partnering Business for Organisation Effectiveness

- a) Facilitate constructive social climate. Provide strategic support to Business in organisational design, culture and change management initiatives, workforce planning, talent management, policies and processes integrated within Business. Drive competent workforce and working Organization. Deliver optimized people solution for meeting business ambition based on deep business acumen.
- b) The organization design is being periodically re-calibrated to cater to current and future business requirements, and to further improve efficiency and effectiveness through acquisition of right skill and competencies in alignment with GKN Values and Behaviours.
- c) Rightsizing and rationalization are a continuous exercise through which Company drives for optimal productivity. The Human Resources function has driven changes in striking a balance between business needs, individual strengths and individual aspirations.

### 2) Employee Experience and Employee Engagement:

HR team partners and coached People Managers in delivery of Positive Employee Experience through Employee Enablement and Employee Engagement

- a) GKN believes in the culture of driving employee engagement through people managers who are the best engagers of people. GKN encourages Participative Management. The Company encourages 'Open Door Policy' in the organization. Employees can approach any level of the Management for his/her individual or group issues / grievances. In addition, to facilitate the interaction between Employees and Management, many forums of interactions are organized on regular basis wherein employees can share their views and put forth their issues before Management in a constructive manner. Employees are provided opportunities to be involved in decision-making process through various Committees / Forums and Cross Functional Resource Committees.
- The Company has set up adequate cross functional forums for Redressal of Grievance of Associates. All associates can take part and attend these forums & seek redressals of their grievance, if any. Some of these cross functional formal forums are as follows:
  - Quality Circles
  - Kaizen Circles
  - Canteen /Cafeteria Committee Meeting
  - Safety Committee Meeting
  - Grievance Handling Procedure
  - Anti-Harassment Policy
- c) GKN continues to invest in employee engagement to further improve employee engagement and enablement through action planning with people managers.

### 3. Talent Acquisition, Development and Succession Plan:

- a) Develop effective talent acquisition, retention approach for organization outcomes of winning in markets with people
- b) GKN encourages integration and strategic deployment of Talent Development and Succession Planning outcome to enable delivery of business strategy. GKN invests in Top Talent in order that People strategy supports business outcome through Talent Exchange and Culture of Talent Development ensuring inclusion and diversity outcomes. The Talent Development process identifies and mitigates people related risks to address attrition and retention of critical people to meet current and future needs of the Business. Training, development, and the recruitment of the next generation of employees with right skill and competencies inventory is an ongoing focus.

- c) Blended learning of 70% on the job, 20% through coaching and mentoring and 10% through e-learning or curriculum-based learning is encouraged.
- d) Training and development focus on values, code of ethics and compliance, safety of the employees and customers, health and environmental awareness receive the top priority of the management.

### 4) Equity, Diversity, and Inclusion:

- a) People are at the heart of our strategy; and we want to ensure that we create an environment in which everyone can be their best self, can thrive, is appreciated, and feels included. We have fantastic breadth of experience across GKN Automotive, but we also recognize we are on a journey. Diversity, Equity, and Inclusion (DEI) covers a lot of things and will resonate differently for different people. Platforms are created for cultural awareness, conversation on DEI, interventions to build and deliver initiatives that are meaningful and relevant.
- b) Prevention of Sexual Harassment: Provide a framework for educational initiatives to increase the awareness levels on recognizing and dealing with incidents of sexual harassment in the workplace. Make a clear distinction between accepted and unaccepted social interaction. Deploy an effective sexual harassment complaint resolution mechanism

### 5) Employee & Industrial Relations:

a) Partner Business in deployment of effective Employee and Industrial Relations. Human Resources partner business in the process of IR environment sensing, formulating, and enabling deployment of overall strategy of managing employee and third-party labour relations and internal relations with Trade Unions groups to ensure progressive IR climate.

The company has earned profit that exceeds the threshold limit. In alignment with its CSR strategy, the Company has been continuing to contribute for betterment of the society and the community in which it operates, to help promote their sustained growth. The Company spent time, effort and money on different CSR projects focusing on infrastructure development of orphanage and old age home. Further CSR activity includes construction of toilets building renovation work in government Primary school. RO plant was installed at Erayur village near Oragadam plant and in Chainyasa village at Ballabgarh, Faridabad. New classrooms, play ground were constructed at local schools and anganbaris. Solar lights and panels were installed at streets and government schools as a measure of environmental sustainability

Total amount spent on CSR activities during the FY 2022-23 was INR 17.86 Mn.

The contents of the CSR policy are attached as **Annexure C**.

### LOANS, GUARANTEES OR INVESTMENTS

During the period, the Company has given loan of INR 150 Mn to GKN Automotive Bengaluru Private Limited. The company sold shares of ARS Energy P Limited for INR 0.61 Mn to conclude the Private Power Purchase Agreement.

### **SECRETARIAL STANDARDS**

The Directors state that applicable Secretarial Standards, i.e., SS-1 and SS-2, relating to 'Meetings of Board of Directors' and 'General Meetings', respectively, have been duly followed by the Company.

### **DIRECTORS' RESPONSIBILITY STATEMENT**

Pursuant to requirement under Section 134 (3) and (5) the Companies Act, 2013, with respect to Directors' Responsibility Statement, it is hereby confirmed that:

- a. in the preparation of the annual accounts for the period ended on March 31, 2023, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b. the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at March 31, 2023 and of the profit and loss of the company for that period;
- c. the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities:
- d. the directors had prepared the annual accounts on a going concern basis; and
- e. the directors had devised proper system to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively

### **HEALTH, SAFETY AND ENVIRONMENT**

The company is committed for continual improvement in Health & Safety performance with goal of zero preventable accidents. During April 2022 – March 2023, we achieved zero loss time accident at all plants.

### **LEGAL AND GOVERNANCE**

GKN has a strong legacy of practicing fair, transparent and ethical governance par excellence. Besides complying with the statutorily prescribed legal and Governance practices, the Company has voluntarily adopted and evolved various practices governance conforming to highest ethical and responsible standards of business, globally benchmarked. GKN views legal compliance and Governance more as a way of life than a mere legal obligation. It forms part of business strategy which includes, inter-alia, creating an organization intended to maximise wealth of shareholders, establish productive and lasting relationship with all stakeholders with emphasis laid on fulfilling the responsibility towards entire community and society. 'Good Governance' is not an end, it is just a beginning towards growth of company for a long term prosperity.

The Company has established systems, procedures and policies to ensure that its Board of Directors is well informed and well equipped to discharge its overall responsibilities and provide the management with the strategic direction catering to exigency of long-term shareholders value. It's initiatives towards adhering to highest standards of governance include self-governance, professionalization of the Board, fair and transparent processes and reporting systems and going beyond the mandated Corporate Governance requirements as per the Companies Act 2013 and any amendment thereof.

### **Corporate Governance**

Corporate Governance is modus operandi of governing a corporate entity which includes a set of systems, procedures and practices which ensure that the Company is managed in the best interest of all corporate stakeholders i.e., shareholders, employees, suppliers, customers and society in general. Fundamentals of Corporate Governance includes transparency, accountability and independence. For accomplishment of the objectives of ensuring fair Corporate Governance the Government of India has put in place a framework based on the stipulations contained under the Companies Act, SEBI Regulations, Accounting Standards, Secretarial, Standards, etc. Corporate Governance has become a buzzword in the corporate world. Globalization, widespread of shareholders, changing ownership structure, greater expectations, etc. have made a good Corporate Governance sin-quo-nun of modern management. Your Company strictly and strongly adheres to these requirements and norms.

We at GKN, confirm to highest standards of Corporate Governance through regular Board and committee reviews, business reviews, submission of various certifications to the GKN group by the top management. Internal audit conducted throughout the year with quarterly scope covering every function.

### Vigil Mechanism/Whistle Blow System

To support Company's employee Disclosure Procedure Policy, the Company operates Group-wide international whistleblowing hotline. Run by an external and independent third party, the hotline facilitates arrangement whereby

employees can make confidential disclosures about suspected impropriety and wrongdoing. Further, in terms of section 143 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 as amended, notifications / circulars issued by the Ministry of Corporate Affairs from time to time, no fraud has been reported by the Auditors of the Company where they have reason to believe that an offence involving fraud is being or has been committed against the Company by officers or employees of the Company. There was one reported case of alleged discrimination against employees based upon language and potentially ethnicity. Due to the fact very little information was provided to GKN by the caller, GKN contacted the caller and requested further information. No further information was provided hence the complaint was closed. There was no instance of fraud during the year under review, which required the Statutory Auditors to report to the Audit Committee and/or board under section 143(12) of the Act and the rules framed there under.

### **Secretarial Audit**

In terms of provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration) Rules, 2014, the Secretarial Audit was carried out by M/s Ranjeet Pandey & Associates, Company Secretaries, and Secretarial Auditor of the Company for the financial year 2022-23. There were few observations or remarks given by Secretarial Auditors of the Company. The report on Secretarial Audit is appended as an **Annexure D** to this Report.

### POLICY ON DIRECTOR'S APPOINTMENT AND REMUNERATION

### Managerial remuneration for FY 2022-23:

During the Financial Year 2022-23, the Managerial remuneration was paid to Mr. Sanjay Katyal, Managing Director, Mr. Madan Singh Sisodia, Executive Director, Mr. Rajeev Dogra, Executive Director and Ms. Lunna Bose, Additional Executive Director.

The remuneration paid details are as follows;

S No.	Name and designation of Managerial person	Amount paid during the FY 2022-2023 (INR)
1.	Mr. Sanjay Katyal, Managing Director	1,07,41,586
2.	Mr. Madan Singh Sisodia, Executive Director	1,19,08,977
3.	Mr. Rajeev Dogra, Executive Director	91,10,901
4.	Ms. Lunna Bose, Additional Executive Director (w.e.f. 14th December 2022)	33,17,003

Your company has a policy in place governing the appointment and remuneration to Directors, KMPs and SMPs. The contents of the policy are attached as **Annexure E** to this report.

### **Board of Directors & Key Management Personnel**

### (a) Policy of appointment & remuneration:

The Board Meetings are pre-scheduled and a tentative annual calendar of the Board Meetings is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. However, in case of a special and urgent business need, the Board's approval is taken by passing resolutions by circulation, as permitted by law, which is noted and confirmed in the subsequent Board meeting. The

Directors also attend the board meetings through Video conferencing with recording facility, in case they are unable to attend the meeting physically, of which a proper record is maintained. During the period under review, four board meetings were held on 21st June 2022, 24th August 2022, 14th December 2022 and 29th March 2023. The maximum interval between any two meetings did not exceed 120 days. The number of meetings attended by each director is attached to this report as **Annexure F.** 

### (d) Key Managerial Personnel:

Mr. Sanjay Katyal- Managing Director Mr. Madan Singh Sisodia – Executive director Mr. Tushar Jain - Chief Financial Officer Mr. Rajeev Dogra, Executive Director, Ms. Luna Bose Roy Chowdhury, Additional Executive Director (wef 14th December 2022) and Ms. Richa Porwal- Company Secretary are the designated Key Managerial Personnel of the Company

### **Audit and Risk Management Committee**

Audit & Risk Management Committee of the Board comprises of Ms. Monica Widhani (Chairperson upto 29th September 2022), Ms. Rajni Sekhri Sibal (Chairperson wef 8th December 2022) Mr. Madan Singh Sisodia and Mr. Bharat Dev Singh Kanwar (Member wef 1st April 2022). Committee Meetings are pre-scheduled and a tentative annual calendar of the Meetings is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. The committee members also attend the meetings through Video conferencing with recording facility, in case they are unable to attend the meeting physically, of which a proper record is maintained. During the period, the Committee met four times i.e., on 21st June 2022, 24th August 2022, 14th December 2022 and 29th March 2023. The number of meetings attended by each director is attached to this report as **Annexure F**.

### **Nomination & Remuneration Committee**

The Committee comprises of Mr. Bharat Dev Singh Kanwar (Chairperson) Ms. Monica Widhani (Member upto 29th September 2022), Ms. Rajni Sekhri Sibal (Member wef 8th December 2022), Mr. Anthony Bell and Mr. Rajeev Dogra as Members. Committee Meetings are pre-scheduled and a tentative annual calendar of the Meetings is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. The committee members also attend the meetings through Video conferencing with recording facility, in case they are unable to attend the meeting physically, of which a proper record is maintained. The Committee met three times on 21st June 2022, 14th December 2022 and 29th March 2023. The number of meetings attended by each director is attached to this report as **Annexure F**.

### Stakeholders' Relationship Committee

The Stakeholders' Relationship Committee is comprised of Mr. Anthony Bell, as the Mr. Madan Singh Sisodia – Member and Ms. Richa Porwal- Company Secretary, Mr. Sanjay Katyal, member. The committee members also attend the meetings through Video conferencing with recording facility, in case they are unable to attend the meeting physically, of which a proper record is maintained. During the period, the Committee met five times on 21st June 2022, 24th August 2022, 17th November 2022, 14th December 2022 and 29th March 2023 to redress/address shareholders' grievances and requests. The number of meetings attended by each director is attached to this report as **Annexure F**.

### **Corporate Social Responsibility Committee**

The company framed a comprehensive CSR policy and constituted a CSR committee for the implementation of policy. The CSR policy is formulated as per Section 135 of the Companies Act 2013. A three-tier governance structure is responsible for implementing CSR activities for the company. These include the CSR Committee of the Board, Central CSR Team, and Operational CSR Teams located at respective plant sites. CSR Committee consists of four directors of which at least two are independent directors. The CSR Committee of the Board consists of its chairman, Mr. Sanjay Katyal, Managing Director, Mr. Rajeev Dogra- (member), Mr. Bharat Dev Singh Kanwar– Independent Director (member) and Ms. Monica Widhani– Independent Director (member) upto 29th September 2022 and Ms. Rajni Sekhri Sibal – Additional Independent Director wef 8th December 2022. Company Secretary of the Company will be responsible for activation, coordination between CSR Committee, Board, Sub – Committee and Plant Committees.

To ensure effective implementation of the CSR programmes undertaken at each Plant, a monitoring mechanism has been put in place. The CSR plan for Financial Year 2023-2024 was finalized and the projected amount of spent is INR 20 Mn approx. The contents of the policy are attached as **Annexure C**.

During the year, the Committee met three times on 21st June 2022, 14th December 2022 and 29th March 2023. The number of meetings attended by each director is attached to this report as **Annexure F**.

### **Independent Director's meeting**

Independent Directors of the Company met separately on 16th February 2023 for FY 2022-2023 without the presence of Non-Independent Directors and members of management. In accordance with the Companies Act 2013 requirements, following matters were, inter alia, reviewed and discussed in the meeting:

- Performance of Non-Independent Directors and the Board of Directors as a whole.
- Performance of the Chairman of the Company taking into consideration the views of executive and Non-Executive Directors.
- Assessment of the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

### **RELATED PARTY TRANSACTIONS (SECTION 188)**

In line with the requirements of the Companies Act, 2013 the Company has adopted a consistency on Related Party Transactions. It is ensured that proper reporting, approval and disclosure processes are in place for all transactions between the Company and Related Parties.

The Board and Audit & Risk Management Committee specifically deals with the review and approval of Related Party Transactions keeping in mind the potential or actual conflicts of interest that may arise because of entering into these transactions. The company takes omnibus approval of estimated Related party transactions in the beginning of the Financial year. All actual Related Party Transactions are placed before the Audit Committee for review and approval. Approval is obtained for Related Party Transactions in each of the board meeting for transactions which are of repetitive nature and / or entered in the Ordinary Course of Business and are at Arm's Length. At the time of transfer pricing audit, all the Related Party Transactions are subjected to independent review by a reputed accounting firm to establish compliance with the requirements of Related Party Transactions.

All Related Party Transactions entered during the period were in Ordinary Course of the Business and on Arm's Length basis. No Material Related Party Transactions, i.e. transactions exceeding ten percent of the annual turnover as per the last audited financial statements, were entered during the financial year by the Company. Accordingly, the disclosure of Related Party Transactions as required under Section 134(3) (h) of the Companies Act, 2013 in Form AOC 2 is not applicable.

### RISK MANAGEMENT, INTERNAL CONTROLS AND INTERNAL FINANCIAL CONTROLS

The Board gives significant attention to, and accepts its responsibility for, the company's risk management internal control and internal financial controls. The Board has systems in place which optimizes the Company's ability to manage risk in an effective and appropriate manner.

The Audit and Risk Management Committee is responsible for reviewing the ongoing control processes and reporting to the Board on the operation of the systems of internal control, internal financial controls and risk management. The Board uses feedback from Audit & Risk Management Committee to form its own view on the effectiveness of the systems.

### Risk Management

Company's enterprise risk management facilitates a common, company-wide method to the assessment of risks and the way in which these are monitored, managed and controlled. Risk profiling is undertaken at plant, function/business stream. A web-based software tool is used which provides a consistent set of risk definitions and a common approach to probability and impact. A broad range of risks is considered, including those relating to strategy, operational performance, financial, product engineering and technology, business reputation, human resources, health and safety, and the environment. Consolidated 'risk maps' are reviewed by company management, the Audit & Risk Management Committee and the Board.

### **Internal Audit**

Internal audit is part of the Company's Internal Control on Financial Reporting Programme (ICOFR). The Company has appointed M/s R Mahajan & Co, Chartered Accountants, who conducts internal audit of the company and its five plants on quarterly basis, the auditors submits plant wise and areas wise report every quarter. Internal audit reports of the Plants are presented to the Executive Team of the Company during Plant Review Meetings. Action plan is drawn on each observation and same are closed in timely manner. Internal audit areas include capital expenditure, statutory compliances,

procurement & logistics, quality, inventory management, customer collection, dispatches, loans & advances, legatrix audit, intercompany transactions and employee cost etc. Internal Audit recommendations are analyzed and if found appropriate, are implemented.

### **Internal Financial Controls**

The Company has adopted adequate policies and procedures for robust internal controls to ensure orderly conduct of business, adherences to such policies and procedures, safeguarding of assets, true and fair conduct of business, prevention and detection of fraud & errors, accuracy and completeness of accounting records and timely preparation of reliable information. Components of internal controls include management commitment to integrity and ethics, independence between Board & management, establishment of appropriate authorities & responsibilities, commitment to attract and retain competent individuals.

In pursuit to follow strict controls over financial reporting and pursuant to Section 143(3) (i) of Companies Act, 2013, the Company has conducted Internal Financial Control Audit.

IFC management testing was conducted by an Independent agency called R Mahajan & Co., Chartered Accountants, and independent testing by Internal auditors of SOPs was conducted to ensure adherence to the standard processes and controls. The independent testing of the processes is ongoing activity. During IFC management testing, internal controls have been found operating satisfactorily.

### Compliance, Governance & Risk Framework

CGRF is another initiative of the Company on ICOFR. The Company has constituted a compliance, governance and risk framework at Plant and at Central level. The framework is bestowed with the responsibility to review compliances, governance and risk on periodic basis, draw road map to resolve the issues and implement the decisions taken for effective internal controls on compliances, governance and management of the Risks.

### **Standard Processes**

The standard processes for all functions i.e., finance, human resource, purchasing, application engineering, supply chain, manufacturing engineering, sales & marketing, quality, production and operations developed and implemented during the period in all the plants of the Company. Effective adherence to processes is good sign of good internal control system in the Company.

### Reporting & Integrity Process

Your Company observes strong controls and robust reporting processes to ensure that true and fair view of company's affairs are reported. Reporting and integrity processes of the Company are audited on quarterly and yearly basis.

### **Cost Audit**

Cost audit is not applicable to the Company for the FY 2022-2023

# MATERIAL CHANGES AND COMMITMENTS AFFECTING FINANCIAL POSITION OF THE COMPANY OCCURRING BETWEEN DATE OF FINANCIAL STATEMENTS AND THE BOARD'S REPORT

There were no material changes affecting financial position of the company

# MANNER IN WHICH FORMAL ANNUAL EVALUATION OF THE PERFORMANCE OF BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS HAS BEEN CARRIES OUT {SEC. 134(3) (P) READ WITH RULE 8(4)}

The provisions of Section 134(3) (q) of the Companies Act, 2013 read with Rule 8(4) of the Companies (Accounts) Rules 2014 is not applicable over the Company.

### SIGNIFICANT AND MATERIAL ORDERS

During the period, no order had been passed by the regulators or courts or tribunals impacting the going concern status and company's operations in future.

### APPLICATIONS PENDING UNDER INSOLVENCY AND BANKRUPTCY CODE

Not Applicable

### **DETAILS RELATING TO DEPOSIT**

Your Company has not accepted any deposits from public and as such, no amount on account of principal or interest on public deposits was outstanding as on the date of the balance sheet.

### **DECLARATION GIVEN BY INDEPENDENT DIRECTOR**

All the Independent Directors have given their declarations under section 149 (6) and section 149 (7) of the Companies Act, 2013 and the Rules made thereunder. In the opinion of the Board, the Independent Directors fulfill the conditions relating to their status as an Independent Director as specified in section 149 of the Companies Act, 2013 read with rules made thereunder.

# SHARE CAPITAL (INCLUDING RULE 12(9) OF THE COMPANIES (SHARE CAPITAL & DEBENTURES) RULES, 2014)

There was no change in share capital of the company during the year.

# THE COMPANIES (DISCLOSURE OF PARTICULARS IN THE REPORT OF BOARD OF DIRECTORS) RULES, 1988 AND COMPANIES (ACCOUNTS) RULES, 2014.

FORM B (See Rule 2) Form for disclosure of particulars with respect to technology absorption. RESEARCH AND DEVELOPMENT (R&D)

### 1. Specific areas in which R&D carried out by the Company. Product Development

### **Product Development**

- Third generation plunging and fixed joints developed for local and global OEMs.
- Second-generation plunging boots developed for local and global OEMs.
- New generation fixed boots developed and implemented for local and global OEMs.
- Development of New Driveshaft for Global & Indian OEMs (Original Equipment Manufacturer) for Petrol & Diesel vehicles.
- VAVE, Localization effort: Implementation of New VAVE (Value Analysis / Value Engineering) ideas in Product design, Forging, Steel, Grease Projects.
- Successful calibration of test rigs completed by GDI engineers.
- Radmin software installed in test rigs for remote maintenance.
- Radmin software installed in laptops also to monitor the actual testing.
- Test rigs programming sharing server configured to test rigs to avoid multiple license purchases.
- SD solution software installed in Test engineer PC for, real-time post-processing, and M Graph analysis.
- GDI rigs test plan replaced by Product Test planning Portal.
- Design capabilities has expanded to handle CAD activities for Japan & GDI site, added CATIA and NX CAD software for fulfil customer requirements.
- Self-calibration of test rigs & virtual access to Global rig centre for remote maintenance.
- New grease cleaning machine installed.
- New MPI machine added to check the crack.
- Qliksense site introduced to see the test lab performance.

### 2. Benefits derived as a result of the above R&D activities.

- Won new business from local and global OEMs.
- Response time to customer improved by developing local design capability.
- Reduction in cost of product.
- Report releasing time improved after implementation of grease cleaning machine.
- Increase in export business of precision forging parts.
- Customer Engineering relationship enhanced.
- Additional cost saving option for 3W market with IRD based design.

### 3. Future plan of action

- Development of new generation, Light weight Joints which help to reduce CO2 emissions.
- Expand NVH (Noise, Vibration & Harshness) analysis capabilities.
- Upgrade version of MGraph projects for the Endurance and Fatigue Damage calculation.
- Planning to add Analysis activity software to check our product performance.
- Working on Commonization of change management process across globe (in GKN) to improve design working.
- GI4 & SX8.1L joints promotion.
- Develop low cost rear joint.

### 4. Expenditure on R&D

- (a) Capital
- (b) Recurring

- (c) Total
- (d) R & D expenditure as a percentage of total turnover

### TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION

Efforts, in brief, made towards technology absorption, adaptation and innovation.

Creation of driveshaft and component level drawings for 3rd generation joints in India

- Design team capability increased.
- Testing and validation capability increased.
- Maintaining Data quality reports to align with global way of working.
- Educated local OEMs on use of hollow shaft technology in place of solid barshaft design. It helped Indian OEMs to design vehicles to improve NVH characteristics.
- Local engineering capability enhanced in handling AWD and Electric vehicle applications.
- Training of engineers outside India to enhance NVH measurement capability and CATIA software to service global OEMs creating drawings and maintaining libraries.
- Forging optimization, boot design change and joint performance benchmarking done under VAVE activities.
- WTS (Welded tubular shaft) and MTS (Mono-block Tubular Shaft) Technology introduced for some of new customer programs.
- FB5.1 boot design implementation for MG Motor, MSIL customers.
- Technology enhancement for TML with VAVE ideas proposition for ACi1700 with FB 5.1 series boot proposed.
- New grease development for 3W application.
- Alternate new configuration development for 3W application.
- Working with various customers for E-powertrain solutions.
- SX new technology joints adopted in Toyota, Mahindra models.
- PB4.2F plunge boots adopted to have reduced packaging and grease volume.
- 2. Benefits derived as a result of the above efforts, e.g., Product Development, Import Substitution, etc.
  - Quick and accurate response to customers and GKN global teams.
  - Support Light weight product development.
  - Online Creation and modification of Drawings and 3D models.
  - Online design data control (Drawings release system).
  - Development of new Business for upcoming Hybrid and Electric Car applications.
  - GDI test site release test reports at an avg. lead time of 2.1 days best among all other sites & Reports on Time 99.6%, ranking 1st in all test sites in GKN.
  - Competitiveness in GKN product against competitor.
- 3. In case of imported technology (imported during the last 5 years reckoned from the beginning of the financial Year), following information may be furnished:
  - a) Technology imported
  - b) Year of Import
  - c) Has technology been fully absorbed?
  - d) If not fully absorbed, areas where this has not taken place, reasons there for and future plans of action.

"Annexure C"

#### 1. Contents of the Corporate Social Responsibility Policy

GKN Driveline (India) Ltd has Five plants. Two plants are in Haryana, one in Maharashtra one in Tamilnadu and one in Gujarat.

Plants are located where basic civic infrastructure is inadequate and socio-economic profile is on weaker side. GDI's mission is to contribute towards improving the quality of life of the communities living in these areas. The Company believes that its success in executing and operating plants is critically dependent on following a participatory development-oriented approach that strengthens our bond with the local population.

**Guiding Principles:** GKN Driveline (India) Ltd. in its continuous efforts to positively impact the society, especially the areas around its sites and offices, has formulated policies for social development that are based on the following guiding principles:

- Honor the spirit of law and be a responsible corporate citizen.
- Pursue growths through harmony with the community via innovative management techniques.
- Adopt an approach that aims at achieving a greater balance between social development and economic development.
- Respect culture and customs of every project / plant location.
- Work towards elimination of all barriers for the social inclusion of disadvantaged groups such as the poor, socially backward, differently abled and others.
- Develop practices aimed at inclusive growth.
- Thrust on Environment Protection.

**Focus Areas:** GDI CSR areas targets inclusive growth of all stakeholders under nine categories, mentioned under Sch. VII of The Companies Act, 2013.

These primarily fall under drinking water, sanitation, education, healthcare, social development, livelihood opportunities and environment protection. These are:

- Rural Development Projects
- · Healthcare including sanitation and drinking water
- Education & Vocational Skills (incl. Educational Infrastructure)
- Gender Equality & Women Empowerment (Incl. Old age homes)
- Environmental Sustainability
- Heritage Protection (Incl. Art and Culture)
- · Training for Promotion of Sports Talent
- Clean Ganga & Swach Bharat Abhiyan
- Disaster management
- Other items as may be prescribed from time to time under Sch. VII of The Companies Act, 2013.

#### 2. The Composition of the CSR Committee:

The CSR Committee of the Board consists of its chairman, Mr. Sanjay Katyal - Managing Director, Mr. Rajeev Dogra, Executive Director, Mr. Bharat Dev Singh Kanwar, Independent Director and Ms. Monica Widhani, Independent Director upto 29th September 2022 and Ms. Rajni Sekhri Sibal Additional Independent Director wef 8th December 2022.

- 3. Average net profit of the Company for the last three financial years is INR 841 Mn
- 4. Prescribed CSR Expenditure (Two percent of the average net profit) The total spent required on CSR activities was INR 16.83 Mn.
- 5. Detail of CSR spent during the financial year:
  - (a) Total amount to be spent for the financial year: The total spend required on CSR activities was INR 16.83 Mn as against actual spent of INR 17.86 Mn.
  - (b) Amount unspent, if any: NIL

## (c) Manner in which the amount spent during the financial year is detailed below:

## SECRETARIAL AUDIT REPORT

For the financial year ended on 31stMarch, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To The Members GKN Driveline (India) Limited Plot No. 270, Sector- 24, Faridabad- 121005, Haryana

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by "GKN Driveline (India) Limited" (Corporate Identity Number U74999HR1985PLC034079) (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of **GKN Driveline (India) Limited's** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives, during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023, according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made there under;
- ii) The Depositories Act, 1996 and the Regulations and Bye-Laws framed there under;
- iii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment;
- iv) As explained by the Company, there is no other law, related to the industry in which the Company is operating, is applicable specifically to the Company.

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above subject to the following observation;

Proper book of account as required by law have been kept by the Company so far as it appears from our examination of those books except for keeping backup on daily basis of such books of account maintained in electronic mode, in a server physically located in India.

With respect to Fiscal laws such as Income Tax, Goods and service Tax based on the information and explanation provided to us by the management and officers of the Company and also on verification of reports of professionals including reports of Internal Audit, we report that adequate systems are in place to monitor and ensure compliance of fiscal laws.

#### We further report that:-

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice has been given to all directors/members of the committee, as the case may be, to schedule the Board Meetings including committee meeting during the financial year under review, agenda and detailed notes on agenda were sent properly before the scheduled meeting, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

In terms of the minutes of Board and committee meetings, we report that all the decisions are carried unanimously. The members of the Board have not expressed dissenting views on any of the agenda items during the financial year under review.

We further report that the systems and processes in the Company to monitor and ensure the compliance with applicable laws, rules, regulations and guidelines, are commensurate with the size and operations of the Company subject to the following observation; -

- M/s Goms Electrical Private Limited, M/s Blue Star Limited and M/s D.A Stuart India Private Limited ceased to be Contractor at Factory located in Oragodam. However, application for amendment in Registration Certificate was not made by the Company till 31.03.2023.
- Company has employed Contractor at Factories located in Oragodam and Kadi. Application for amendment in Registration Certificates in regard to engagement of contractors has not been made till 31.03.2023.
- 3. Consent order for Air and water vide Consent Order No. 2008231708045 was expired on March 31, 2022 and renewed on January 18, 2023 with a delay of 9 months vide Consent order for Air (Consent Order No. 2308243846211) at Factory located in Oragodam.

We further report that during the audit period, the Company has not carried out any specific events/action having a major bearing on the Company's affair in pursuance of the above referred laws, rules, regulations, guidelines, standards etc. referred to above.

CS RANJEET PANDEY FCS- 5922, CP No.- 6087 UDIN: F005922E000825796

PLACE: NEW DELHI DATE: 19.08.2023

This report is to be read with our letter of even date which is annexed as **Annexure-I** and forms an integral part of this report.

Annexure -I

To The Members GKN Driveline (India) Limited Plot No. 270, Sector- 24, Faridabad- 121005, Haryana

Our report of even date is to be read along with this letter:

- 1. Management of Secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial Records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
- 3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
- 4. Wherever required, we have obtained the Management representation about the compliance on happening of the events for which documents are not required to be maintained statutorily by the Company.
- 5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedure on test basis.
- 6. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.
- 7. We have tried to verify the physical records maintained by the Company to the extent possible in order to verify the compliances, however, reliance was also placed on electronic records for verification due to lockdown announced by Government of India and/or State Government on account of COVID-19 pandemic.

#### Contents of the remuneration policy and other best practices

The policy concerns the remuneration and other terms of employment for GKN Driveline (India) Employees, including the directors, the Managing Director and other Senior Management Personnel. The policy is approved by the Nomination and Remuneration Committee and the Board of Directors.

#### **Objectives:**

The policy aims to:

- Attract and retain the best qualified people available to achieve the organization's objectives.
- Provide equitable and consistent remuneration to employees.
- Pay for performance: Differentiate performers from non-performers.
- Enable an appropriate compensation structure.
- Communicate the staff the basic parameters of Salary Structure.
- Build external competitiveness and internal performance related equivalences.

#### Guiding principles for remuneration and other terms of employment

- The remuneration and the other terms of employment for the Employees shall be competitive in order to ensure that GKN Driveline (India) Limited can attract and retain competent Executives.
- The Employee's fixed salary shall be competitive and based on the individual Employee's responsibilities and performance.
- Competitiveness of the salary will be decided as per Market Survey.
- Taxing implications are of paramount importance. There will be no rule bending/compromises.

#### Criteria for appointment

The appointment shall be based on the following criteria:

- Qualification, experience and expertise of the person for appointment.
- Specialization, special achievements which contributed to growth in the business/functional area.
- Active participation in the affairs of the company.
- Diversity of the Board.
- Demonstrable leadership qualities and interpersonal communication skills.
- Transparent, unbiased and impartial execution.
- Appointment of Directors and KMPs is in compliance with the procedure laid down under the provisions of the Companies Act 1013, and rules made thereunder.

#### Criteria for remuneration

The remuneration to Directors, Key Managerial Personnel and Senior Management Personnel involves a balance between fixed and variable pay reflecting short term and long term performance objectives.

The Managing Director's remuneration is a combination of fixed and variable pay. The Non-Executive Directors are not paid any remuneration by the Company as directors. Independent Directors are paid sitting fee for attending each meeting(s) of the Board and Committees thereof.

The remuneration is within the statutory limits and approved by the Shareholders of the Company.

# INDEPENDENT AUDITORS' REPORT To the Members of GKN Driveline (India) Limited Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of GKN Driveline (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the
  information included in the Director's report but does not include the financial statements and our auditor's report
  thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always

detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design
  and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate
  to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than
  for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
  override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for keeping backup on daily basis of such books of account maintained in electronic mode, in a server physically located in India. refer Note 41 (xii) to the financial statements.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) The observation relating to the maintenance of accounts and other matters connected therewith, are as stated in paragraph (b) above.
  - g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our

- report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,
  - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements Refer Note 13b and 33 to the financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses. Refer Notes 30.2(iii)(a) and 41 (xiii) to the financial statements.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company. Refer Note 42 to the financial statements.
  - iv. (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Refer Note 41 (iv) to the financial statements.
    - (b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Refer Note 41 (v) to the financial statements.
    - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
  - v. The interim dividend declared and paid by the Company during the year is in accordance with section 123 of the Companies Act 2013. Refer note 11 (v) to the financial statements.
  - vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company w.e.f. April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
- 2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

#### ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report on the financial statements for the year ended March 31, 2023 to the members of GKN Driveline (India) Limited of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of GKN Driveline (India) Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal financial controls over financial reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls with reference to Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements

## GKN Driveline (India) Limited (CIN: U74999HR1985PLC034079)

may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on "the criteria for internal financial control with reference to financial statements established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India".

#### ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, capital work-in- progress and relevant details of right-of-use assets.
   The Company has maintained proper records showing full particulars of intangible assets.
  - (b) The Property, Plant and Equipment, capital work-in-progress and right-of-use assets were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. No material discrepancies were noticed on such verification.
  - (c) Based on our examination of the registered sale deed /conveyance deed provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
  - (d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) and intangible assets during the year.
  - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories except for goods-in-transit and stocks held with third parties, were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. For stocks held with third parties at the year-end, written confirmations have been obtained and in respect of goods- in-transit, the goods have been received subsequent to the year end or confirmations have been obtained from the parties. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories/ alternate procedures performed as applicable, when compared with books of account.
  - (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets, and hence, reporting under Clause 3(ii)(b) of the Order is not applicable.

(iii) (a) The Company has granted loans during the year and details of which are given below: (Rs. in million)

The company has granted leans during the year and detaile of which are given select.	(1 (0: 111 1111111011)
Particulars	Loans
A. Aggregate amount granted during the year:	
Other Parties	
-Employees	3.94
-Fellow Subsidiary	200.00
B. Balance outstanding as at balance sheet date in respect of above case:	
Other Parties	
-Employees	3.91
-Fellow Subsidiary	150.00

The Company has not made any investments in, provided any guarantee or security or granted any advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties during the year.

- (b) The terms and conditions of the grant of all the above-mentioned loans provided during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) Loan of Rs. 150 million granted by the Company which has fallen due during the year, has been renewed. The details of such loan that fell due and those renewed during the year are stated below:

(Rs. in million)

Name of Party	Aggregate amount of such loan renewed	Percentage of the aggregate loan amount renewed to the total loan granted during the
GKN Automotive Bengaluru Private Limited	150.00	73.55%

No loan granted by the Company which has fallen due during the year which has been extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) of the Order is not applicable.
- (iv) The Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of loans granted. Further the Company has not granted any loans, made investments or provided guarantees or securities that are covered under the provisions of sections 185 of the Companies Act, 2013.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) The maintenance of cost records has not been specified for the activities of Company by the Central Government under Section 148(1) of the Companies Act, 2013.
- (vii) In respect of statutory dues:
  - (a) Undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Customs, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities except for duty of Customs and Integrated Goods and Services tax dues. In respect of duty of Customs and Integrated Goods and Services tax, the Company is yet to deposit the respective dues for the period June, 2021 to March, 2023 and the amount involved is Rs. 10.72 million (including for a period of more than 6 months referred to below). Sales Tax, Value added Tax, Service Tax and duty of Excise are not applicable to the Company during the year.

There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Incometax, Sales Tax, Service Tax, duty of Excise, cess and other material statutory dues in arrears as at March 31,

2023 for a period of more than six months from the date they became payable. Undisputed amounts payable in respect of duty of Customs and Integrated Goods and Services tax in arrears as at March 31, 2023 for a period of more than six months from the date they became payable are as below:

Name of the Statute	Nature of Dues (including interest)	Amount (Rs. In Million)	Period to which Amount Relates	Due Date	Date of Payment
The Customs Act,	Duty of	4.09	June 2021-	June 2021-	Unpaid as at
1962	Custom		September	September 2022	August 26, 2023
			2022		
The Integrated	Integrated	3.38	June 2021-	June 2021-	Unpaid as at
Goods and Service	Goods and		September	September 2022	August 26, 2023
Tax Act, 2017	Service Tax of		2022		
(IGST)	Import				

<sup>\*</sup>Including consequential interest on respective dues till September 30, 2022.

(b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are given below:

Name of the Statute	Nature of Dues	Gross Amount (Rs. In Million)#	Amount paid under protest (Rs. In Million)	Period to which the Amount Relates	Forum where the dispute is pending
The Income Tax Act, 1961	Income Tax	22.73	-	AY 2017-18	Income Tax Appellate Tribunal (ITAT)
The Income Tax Act, 1961	Income Tax	14.67	-	AY 2019-20	Assistant Commissioner of Income Tax (OSD), New Delhi
The Central Excise Act, 1944	Excise Duty	28.70	0.31	Jan 2006 to Dec 2009, 2007-2008 and November 2013 to June, 2017	Customs, Excise & Service Tax Appellate Tribunal (CESTAT)
The Tamil Nadu Value Added Tax (VAT) Act, 2006	Tamil Nadu VAT	6.72	1.50	FY 2011-12 to FY 2015-16	High Court
The Finance Act, 1994	Service Tax	15.18	-	FY 2011-12 & 2015-16	Assistant Commissioner (ST)
		28.65	0.82	FY 2010-11 to Nov 2015	Customs, Excise & Service Tax Appellate Tribunal (CESTAT) and Assistant Commissioner (ST)
		21.38	0.42	April 2005 to March 2007, Oct 2010 to July 2011 and FY 2014-15 to 2016-17	Customs, Excise & Service Tax Appellate Tribunal (CESTAT)
		1.67	0.05	Dec 2008 to Dec 2009, Feb 2010 to Nov 2010, April 2011 to Oct 2011 and Nov 2014 to August 2015	Commissioner Appeal
		2.52	-	Jan 2005 to March 2008	Joint Commissioner of Central Excise
The Central Goods and Service Tax Act, 2017	CGST	0.32	-	FY 2020-2021	Additional/Deputy Commissioner of State Tax (Appeals)
The Gujarat Goods and Service Tax Act, 2017	GGST	0.32		FY 2020-2021	Additional/Deputy Commissioner of State Tax (Appeals)

#amounts disclosed above are as per show cause notices/demand orders including consequential interest as determined by the management till balance sheet date. (Also refer Note 13(b) and Note 33(2)(iii) to the financial statements for the year ended March 31, 2023 in respect of provision for entry tax and duty of Customs respectively).

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
  - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.
  - (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long term purposes by the Company.
  - (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) of the Order is not applicable.
  - (f) The Company has not raised any loans during the year on the pledge of securities and hence, reporting under clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
  - (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
  - (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
  - (c) We have taken under consideration the whistle blower complaints received by the Company during the year and provided to us, when performing our audit.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
  - (b) We have considered, the internal audit reports issued to the Company during the year and covering the period upto December 2022 and draft of the Internal Audit Reports were issued after the balance sheet date covering the period from January 2023 to March 2023 for the period under audit
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors, or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.

## GKN Driveline (India) Limited (CIN: U74999HR1985PLC034079)

- (xix) On the basis of the financial ratios, ageing and expected dates of the realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and the Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all the liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act, 2013 or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

#### 1. Corporate information

GKN Driveline (India) Limited is a public limited company and domiciled in India was incorporated on 25 July, 1985. The Company is engaged primarily in the manufacture and sale of driveshafts to original equipment manufacturers (OEMs) in the automobile industry. The Company has five manufacturing locations in India at Faridabad, Dharuhera, Oragadam, Pune and Kadi. The address of its registered office is Plot No 270, Sector 24 Faridabad, Haryana.

The Company is a subsidiary of GKN Driveline international GmbH, Germany and Melrose Industries PLC, UK (Melrose) is the ultimate holding company. Melrose demerged its Automotive, Hydrogen and Powder Metallurgy arm into a new entity known as Dowlais Group PLC on April 20, 2023. Accordingly, the ultimate holding company is Dowlais Group PLC w.e.f. April 20, 2023.

The financial statements for the year ended March 31, 2023 were approved by the Board of Directors and authorised for issue on August 26, 2023.

### 2. Significant accounting policies

## 2.01 Basis of preparation

#### (i) Statement of Compliance

The financial statements of the Company have been prepared in accordance with The Indian Accounting Standards (hereinafter referred to as the "Ind AS") as notified by Ministry of Corporate Affairs ('MCA') under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provision of the Act.

#### (ii) Basis of preparation and presentation

The financial statements have been prepared in accordance with Ind AS and accounting principles generally accepted in India on historical cost basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in relevant accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services. The accounting policies followed in preparation of the Financial Statements are consistent with those followed in the preparation of Financial Statements for the year ended March 31, 2022 except for certain amendments in Ind AS and the Act as notified by MCA.

#### a) Current and non-current classification

The Company presents assets and liabilities in the financial statements based on current/non-current classification according to the Company's operating cycle.

#### b) Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current non-current classification of assets and liabilities.

Previous year figures have been regrouped/ reclassified to make comparable with the current year figures for better presentation.

#### (iii) Use of estimates and judgements

In preparing the financial statements in conformity with accounting principles generally accepted in India, management is required to make judgements, estimates and assumptions that may affect the application of accounting policies and reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of financial statements and the amounts of revenue and expenses during the reported period. Actual results may differ from those estimates. Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

#### 2.02 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, balances with banks and similar institutions, and short-term deposits which are readily convertible to cash and are subject to insignificant risks of changes in value. For the purpose of Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank/book overdrafts as they are considered an integral part of Company's cash management.

#### 2.03 Statement Cash flow statement

Cash flows are reported using indirect method, whereby Profit before tax reported under Statement of Profit and loss is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on available information.

#### 2.04 Property, plant and equipment

Property, plant and equipment are stated at cost or deemed cost and subsequent costs thereto net of GST credit less accumulated depreciation/amortization and provision/impairment of damaged/non-usable assets.

Cost of acquisition includes expenditure that is directly attributable to the acquisition of the items. Such assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

#### Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided on the straight-line method ('SLM'), over the useful life prescribed in Schedule II to the Companies Act, 2013 ('Act') or useful life determined based on technical evaluation and past trends, upto the estimated residual value of the depreciable assets, as follows:

Category of Fixed Assets	Life of assets (in Years)
Computer & software	3
Electric installation	15
Furniture & fixtures	8
Office equipment	8
Mobile phones	3
Plant & machinery	
- Short life	6
- Medium Life	10
- Long Life	15
Material handling equipment	8
Mechanical testing	3
Trollies	3
Vehicles	4
Building including Roads	30
Employees white goods	4
(Furniture & fixtures, Office equipment & computers)	

All assets, the individual written down value of which at the beginning of the year is Rs. 5,000 or less, are depreciated at the rate of 100%. Assets purchased during the year costing Rs. 5,000 or less are depreciated

at the rate of 100%. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Capital work-in-progress comprises the cost of property, plant and equipment that are not yet ready for their intended use on the reporting date and materials at site.

The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of 1 April, 2016 (the transition date) measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date.

#### 2.05 Intangible assets

Intangible assets with finite useful lives (viz. software) that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortization is recognized on a straight-line basis over the period of three years or the period of license. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in profit or loss when the asset is derecognized.

The Company has elected to continue with the carrying value of all of its intangible assets recognised as of 1 April, 2016 (the transition date) measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date.

#### 2.06 Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

#### 2.07 Inventories

Inventories are valued at cost or net realizable value whichever is lower with due allowance being made for obsolete and slow moving items. Cost is determined on First in First out (FIFO) basis.

The cost of raw materials and stores and spares comprises all cost of purchase, costs of conversion and other costs incurred in bringing inventories to their present location and condition. The cost of finished goods and work in progress comprises raw materials, direct labour, other direct cost, related fixed and variable production overheads. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Machinery spares (other than those supplied along with main plant and machinery, which are capitalised and depreciated accordingly) are charged to Statement of Profit and Loss on consumption.

#### 2.08 Revenue recognition

The Company recognises revenue when the amount of revenue and its related cost can be reliably measured and it is probable that future economic benefits will flow to the entity and degree of managerial involvement associated with ownership or effective control have been met for the Company's activity.

Revenue from the sale of driveshaft is recognized at the point in time when control is transferred to the customer, depending upon contractual terms this may be at the point of despatch or acceptance by the customer. The revenue recognised is the transaction price as it is the observable selling price per product.

Contracts are reviewed to identify each performance obligation relating to a distinct good or service and the associated consideration. A performance obligation is identified if the customer can benefit from the good or service on its own or together with other readily available resources, and it can be separately identified within the contract. This review is performed by reference to the specific contract terms.

The Company's revenue is derived from the single performance obligation to transfer primarily its products under arrangements in which the transfer of control of the products and the fulfilment of the Company's performance obligation occur at the same time. Revenue from the sale of goods is recognized when the Company has transferred control of the goods to the buyer and the buyer obtains the benefits from the goods, the potential cash flows and the amount of revenue (the transaction price) can be measured reliably, and it is probable that the Company will collect the consideration to which it is entitled to in exchange for the goods.

Discount to customers are based on certain percentages agreed with the customers, which are typically earned by the customer over an annual period. These are allocated to performance obligations and are recorded as a reduction in revenue at the point of sale based on the estimated future outcome. Due to the nature of these arrangements an estimate is made based on historical results to date, estimated future results across the contract period and the contractual provisions of the customer agreement.

Company procured/manufactured tooling which is explicitly funded by the customer, whether up-front or over time, and is included within part of a broader production contract.

The Company has the practice of recovering the market movement of steel, obsolete inventory, prototype development and exchange rate from its customers. The revenue for these recoveries are booked only after settlement of prices with customers.

Revenue from services is recognised on rendering of related services to the customers and when there is no uncertainty in receiving the same.

Export Incentives under various schemes are accounted in the year of export.

#### 2.09 Other income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis,

by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

## 2.10 Foreign Currencies

The functional currency for the Company is determined as the currency of the primary economic environment in which it operates. For the Company, the functional currency is the local currency of the country in which it operates, which is Indian Rupees (Rs.).

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

#### 2.11 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

## Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### **Classification of financial assets**

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
  - Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):
- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments
  of principal and interest on the principal amount outstanding.

Interest income is recognised in profit or loss for FVTOCI debt instruments. For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in profit or loss and other changes in the fair value of FVTOCI financial assets are recognised in other comprehensive income. When the investment is disposed of, the cumulative gain or loss previously accumulated in other comprehensive income is reclassified to profit or loss.

All other financial assets are subsequently measured at fair value.

#### **Effective interest method**

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

#### **Investments in equity instruments at FVTOCI**

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

A financial asset is held for trading if:

- · it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

#### Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortized cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortized cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortized cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

#### **Impairment of financial assets**

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivables, trade receivables and other contractual rights to receive cash or

other financial assets and financial guarantees not designated as at FVTPL.

For trade receivables or any contractual right to receive cash or another financial assets that result from transactions that are within the scope of Ind AS 115, the Company measures the loss allowance at an amount equal to expected credit losses. The expected credit losses on trade receivables and other financial assets are estimated based on the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date. The Company follows simplified approach for recognition of impairment loss allowance for Trade Receivables.

The application of the simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, twelve months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in the subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising an impairment loss allowance based on a twelve months ECL. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls).

#### **Derecognition of financial assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

#### 2.12 Financial liabilities and equity instruments

#### Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

#### **Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

#### **Financial liabilities**

All financial liabilities are subsequently measured at amortized cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

#### a) Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

#### b) Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

#### c) Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortized cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortized cost of the instruments and are recognised in 'Other income'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

#### d) Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

#### 2.13 Employee benefit costs

#### Retirement benefits costs and termination benefits

#### a) Defined contribution plans:

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions. Payments made to state-managed retirement benefit plans are accounted for as payments to defined contribution plans where the Company's obligations under the plans are equivalent to those arising in a defined contribution retirement benefit plan.

The Company contributes towards State governed provident fund linked with employee pension scheme and superannuation fund managed by LIC for certain employees. The contribution paid/ payable under the scheme is recognized during the period in which the employee renders the related service.

## b) Defined benefit plans:

(i) The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering all employees in accordance with the Payment of Gratuity Act, 1972 without any limits on the amount. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company funds the benefits through annual contributions to Life Insurance Corporation of India (LIC) under its Group's Gratuity Scheme.

The Company's liability and the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment or curtailment, and the date that the Company recognizes related restructuring costs.

Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorized as follows:

- a) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements)
- b) net interest expense or income; and
- c) remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The liability or asset recognised in the financial statements in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

(ii) Provident Fund contributions for certain employees are made to a Trust administered by the Company. Interest payable to the Provident Fund members, shall not be at a rate lower than the statutory rate. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of the year and any shortfall in the fund maintained by the Trust is additionally provided for in the financial statements. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

#### Other Long-term employee benefits:

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Discount rates used for determining present value of the obligation under the defined benefit plan, are based on the market yield on Government Securities as at the balance sheet date. Actuarial gains and losses arising from past-experience and changes in actuarial assumptions are credited or charged to the standalone statement of profit and loss in the year in which such gains or losses are determined.

#### Short-term and other long-term employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

#### Contributions from employees or third parties to defined benefit plans

Discretionary contributions made by employees or third parties reduce service cost upon payment of these contributions to the plan.

When the formal terms of the plans specify that there will be contributions from employees or third parties, the accounting depends on whether the contributions are linked to service, as follows:

- If the contributions are not linked to services (e.g. contributions are required to reduce a deficit arising from losses on plan assets or from actuarial losses), they are reflected in the remeasurement of the net defined benefit liability (asset).
- If contributions are linked to services, they reduce service costs. For the amount of contribution that is dependent on the number of years of service, the Company reduces service cost by attributing the contributions to periods of service using the attribution method required by Ind AS 19.70 for the gross benefits. For the amount of contribution that is independent of the number of years of service, the Company reduces service cost in the period in which the related service is rendered / reduces service cost by attributing contributions to the employees' periods of service in accordance with Ind AS 19.70.

#### **Defined contribution plans**

Contribution towards provident fund, superannuation fund, employee's pension scheme and employee state insurance for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

#### Defined benefit plans

Provident Fund contributions are made to a Trust administered by the Company. Interest payable to the Provident Fund members, shall not be at a rate lower than the statutory rate. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of the year and any shortfall in the fund size maintained by the Trust set up by the Company is additionally provided for. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering all employees in accordance with the Payment of Gratuity Act, 1972 without any limits on the amount. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company funds the benefits through annual contributions to Life Insurance Corporation of India (LIC) under its Group's Gratuity Scheme. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss under Other comprehensive income in the year in which they arise.

Other Long term employment benefits Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date, determined based on actuarial valuation using Projected Unit Credit Method. Discount rates used for determining present value of the obligation under the defined benefit plan, are based on the market yield on Government Securities as at the balance sheet date. Remeasurements gains or losses are recognised in the Statement of Profit and Loss in the period in which they arise.

#### Other Long-term employee benefits

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Discount rates used for determining present value of the obligation under the defined benefit plan, are based on the market yield on Government Securities as at the balance sheet date. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

## 2.14 Leases:

At inception of a contract, the Company assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified assets for a period of time is exchange for consideration.

Where a lease arrangement is identified, a liability to the lessor is included in the Balance Sheet as a lease obligation calculated at the present value of minimum lease payments. A corresponding right-of-use asset is recorded in property, plant and equipment.

The Company recongnises a right-of use assets and a lease liability at the lease commencement date except for lease with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Lease term is a non-cancellable period together with period covered by an option to extend the lease if the Company is reasonably certain to exercise that option: and period covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option.

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred, less any lease incentive received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying assets to the Company by the end of the lease term or code of the right-of-use assets reflects that the Company will exercise a purchase option. In that case the right-of-use assets will be depreciated over the useful life of the underlying assets.

They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use asset are depreciated over the shorter of asset's useful life and the lease term on a straight-line basis. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable

The lease liability is initially measured at the present value of the lease payments to be paid over the lease term at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. Subsequently, the lease liability is measured at amortised cost using the effective interest method.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the rate of interest implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lesse's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in the similar economic environment with similar terms, security and conditions.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract in accordance with Ind AS 116 and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in the statement of profit and loss, unless they are directly attributable to qualifying assets. Variable lease payments are recognised in the statement of profit and loss in the period in which the condition that triggers those payments that occur.

## 2.15 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

#### 2.16 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of exceptional items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of exceptional items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning

of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for employee share options and bonus shares, if any, as appropriate.

#### 2.17 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

#### **Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilize the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

## Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

#### 2.18 Provisions, Contingent assets and Contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Litigations often involve complex legal/regulatory issues and are connected with a high degree of uncertainty. Accordingly, the assessment of whether an obligation exists on the balance sheet date as a result of an event in the past, and whether a future cash outflow is likely and the obligation can be reliably estimated, largely depends on estimations by the management.

#### **Onerous contracts**

Present obligations arising under onerous contracts are recognised and measured as provisions. An onerous contract is considered to exist where the Company has a contract under which the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received from the contract.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets where it is probable that future economic benefits will flow to the Group are not recognised but disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

### 2.19 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

# 2.20 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The board of directors assess the financial performance and position of the Company and makes strategic decisions and therefore the board would be the chief operating decision maker or 'CODM, within the meaning of Ind AS 108 "Operating Segments". The CODM evaluates the Company's performance and allocates resources based on the dominant source, nature of product and nature of risks and returns. The Company's primary business segment is manufacturing of driveshafts accordingly there is only one reportable business segment which is consistent with the internal reporting to the chief operating decision maker ("CODM").

# 2.21 Business Combinations

Acquisitions of subsidiaries and businesses are accounted for using the acquisition method. Acquisition related costs are recognized in profit or loss as incurred. The acquiree's identifiable assets, liabilities and contingent

liabilities that meet the conditions for recognition are recognized at their fair value at the acquisition date, except certain assets and liabilities that are required to be measured as per the applicable standard.

Purchase consideration in excess of the Company's interest in the acquiree's net fair value of identifiable assets, liabilities and contingent liabilities is recognized as goodwill. Excess of the Company's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over the purchase consideration is recognized, after reassessment of fair value of net assets acquired, in the Capital Reserve.

#### **Common control**

A business combination involving entities or businesses under common control is a business combination in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and the control is not transitory. Business combinations involving entities under common control are accounted for using the pooling of interest method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognized as capital reserve under equity.

#### 2.22 Dividends paid

Dividend to shareholders is recognised as a liability and deducted from equity, in the year in which the dividends are approved by the shareholders. However, interim dividends declared by the Board of directors, which does not need shareholders' approval, are recognised as a liability and deducted from retained earnings, in the year in which the dividends are so declared.

## 2.23 Significant accounting judgments, estimates and assumptions

The preparation of these financial statements in conformity with the recognition and measurement principles of applicable Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the period presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect the following:

Useful lives and Impairment of Property, Plant and Equipment and Intangible Assets - Also refer Note 2.04,
 2.05 and 2.06

The estimated useful lives, residual value, depreciation/ amortisation method and impairment are reviewed periodically, with the effect of any changes in estimate accounted for on a prospective basis. This reassessment may result in change in depreciation/ amortisation and impairment expense in future periods.

Contingent liabilities and provisions for contingencies – Also refer Notes 2.18, 13 and 32

The contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that arises from past events but is not recognised because:

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- (ii) the amount of the obligation cannot be measured with sufficient reliability.

The Company evaluates the obligation through Probable, Possible or Remote model ('PPR'). In making the evaluation for PPR, the Company takes into consideration the industry perspective, legal and technical view, availability of documentation/agreements, interpretation of the matter, independent opinion from professionals

(specific matters) etc. which can vary based on subsequent events. The Company provides the liability in the books for probable cases, while possible cases are shown as contingent liability. The remote cases are not disclosed in the financial statements.

Inventory provisioning (Also refer Note 2.07)

The calculation of inventory provisions requires judgement by management of the expected value of future sales. Further if the carrying value of inventory is higher than the expected recoverable value, the Company makes provisions writing inventory down to its net recoverable value. The inventory is initially assessed for impairment by comparing inventory levels to recent utilization rates and carrying values to historical selling prices. A detailed review is completed for inventory lines identified in the initial assessment considering sales activity, order flow, customer contracts and current selling price.

Provision for income taxes and deferred tax – Also refer Note 2.17

Judgements are involved in determining the provision for income taxes including judgement on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve interpretation issues, which can only be resolved over extended time periods.

The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

Provision for employee benefits – Also refer Note 2.13

Provision for employee benefits requires that certain assumptions such as expected future salary increases, average life expectancy and discount rates etc. are made in order to determine the amount to be recorded for retirement benefit obligations. Substantial changes in the assumed development of any of these variables may significantly change the Company's retirement benefit obligations.

#### 2.24 New and revised IndAS

On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 01, 2023, as below:

## Ind AS 1 - Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements.

#### Ind AS 12 - Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences.

## Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty", Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect these amendments to have any material impact in its financial statements.

	Less: Provision for credit Impaired receivables		(0.95)	(2.60)
	·	Total	940.18	1,004.44

#### Notes:

- a) The credit period on sales of goods ranges between 30 to 90 days. No interest is charged on any overdue trade receivables.
- b) The Trade receivables from contracts with customers is net of provision for Customer Incentives and Discounts amounting Rs. 177.35 Million (previous year Rs. 190.71 Million).
- c) The concentration of credit risk is limited due to the fact that the Company is a market leader in supply of driveshafts and has many customers in India which are mainly OEM (Original Equipment Manufacturers).
- d) The Company has recognised a loss allowance of 100% against receivables which are 90 days past due, leading to an increase in credit risk based on historical experience.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

- a. Contract liability is the entity's obligation to transfer goods or services to a customer for which the entity has received consideration from the customer in advance.
- b. Contract assets (unbilled receivables) are transferred to receivables when the rights become unconditional and contract liabilities are recognised as and when the performance obligation is satisfied.

## 28. Employee benefit plans

## (i) Defined contribution plans

The Company operates defined contribution retirement benefit plans for all its qualifying employees. Where employees leave the plans prior to full vesting of the contributions, the contributions payable by the Company are reduced by the amount of forfeited contributions.

# The Company has recognised the following amounts in the Statement of Profit and Loss:

		(Rs. in million)
	Year ended	Year ended
	31.03.2023	31.03.2022
Contribution to Regional Provident Fund	20.50	18.90
Contribution to Superannuation Fund	13.06	13.42
Contribution to Employee's Pension Scheme 1995	14.86	12.71

## **Superannuation Fund**

Invel Transmission Limited Superannuation Fund Trust (""The Trust"") was incorporated to provide superannuation amount to the eligible employees on their retirement or resignation from the Company. The Trust has taken Employees Group Superannuation Scheme policy from Life Insurance Corporation of India (LIC) which is in line with the requirements of Income Tax Rules, 1962.

he quarterly contributions equivalent to 15% of the Basic Salary of eligible employees are paid to LIC which manages the fund.

## (ii) Defined benefit plans and other long term benefits

## A Gratuity plan

Provident fund for certain eligible employees is managed by the Company through the Employees Provident Fund Trust in line with the Provident Fund and Miscellaneous Provision Act 1952. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated hereon are payable to employees at the time of their separation from the company or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the Trust and the notified interest rate. The Company's obligation in this regard is actuarially determined and provided for if the circumstances indicate that the Trust may not be able to generate adequate returns to cover the interest rates notified by the Government.

#### B Compensated absences:

The employees are entitled for leaves for each year of service and part thereof and subject to the limits specified, the un-availed portion of such leaves can be accumulated / encashed or lapsed during/ at the end of the service period. The plan is not funded.

## C Gratuity plan

The Company operates gratuity plan administered through Gratuity Trust which further invests in Life Insurance Corporation of India (LIC) under its group gratuity scheme. Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service. The Company pays contribution to LIC to fund its plan.

The present value of the Gratuity and related current service cost are measured using the Projected Unit Credit method. The valuation of gratuity liability and corresponding gratuity fund are carried out by qualified Actuary using actuarial valuations techniques as at balance sheet date.

# These plans typically expose the Company to actuarial risks such as: interest rate risk, longevity risk, salary risk and Investment risk.

Interest risk	The defined benefit obligation calculated uses a discount rate based on government bonds. If

bond yields fall, the defined benefit obligation will tend to increase.

Longevity risk The present value of the defined benefit plan liability is calculated by reference to the best

estimate of the mortality of plan participants both during and after their employment. An increase

in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future

salaries of plan participants. As such, an increase in the salary of the plan participants will

increase the plan's liability.

Investment Risk This may arise from volatility in asset values due to market fluctuations and impairment of assets

due to credit losses. LIC of India primarily invests in debt instruments such as Government securities and highly rated corporate bonds wherein the risk of downward fluctuation in value is minimal.

# a) The Principal assumptions used for the purpose of the actuarial valuations for Gratuity Fund were as follows:

Particulars	Gratuity Fund	
	As at	As at
	31.03.2023	31.03.2022

The Company expects to make a contribution of Rs. 27.00 million (as at March 31, 2022 Rs. 26.72 million) to the defined benefit plans during the next financial year.

## **Sensitivity Analysis**

Significant actuarial assumptions for the determination of defined obligation are discount rate, expected salary growth rate, attrition rate and mortality rate. The sensitivity analysis below have been determined based on reasonably possible changes in respective assumption occurring at the end of reporting period, while holding all other assumptions constant.

# A quantitative sensitivity analysis for significant actuarial assumptions is given as:

(Rs. in million)

		1 - /
Particulars	Gratuity	Fund
	As at	As at
	31.03.2023	31.03.2022
Impact of the change in discount rate on liability- increase/(decrease)		
Present value of obligation at the end of the year	457.12	444.45
- Impact due to increase of 0.50 %	(12.67)	(13.24)
- Impact due to decrease of 0.50 %	13.40	14.03
Impact of the change in salary on liability- increase/(decrease)		
Present value of obligation at the end of the year	457.12	444.45
- Impact due to increase of 0.50 %	13.25	13.80
- Impact due to decrease of 0.50 %	(12.65)	(13.16)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the changes in assumptions would occur in isolation of one another as some of the

assumptions may be correlated.

In presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

# Fair value hierarchy

The following table provides an analysis of financial instruments that are measured at fair value and have been grouped into Level 1, Level 2 and Level 3 below:

Level 1: Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market. This category consists of quoted equity shares and debt based open ended mutual funds.

Level 2: Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly. This level of hierarchy consists of debt based close ended mutual fund investments and over the counter (OTC) derivative contracts.

Level 3: Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments.

#### 30.2 Financial risk management objective and policies

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Aging analysis/ Credit rating	Diversification of bank deposits, credit limits and letter of credit
Liquidity risk	Business commitment and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Commercial transactions recognised financial assets and liabilities not denominated in Indian rupee	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts

The financial risk management of the Company is carried out under the policies approved by the Board of Directors. Within these policies, the Board provides written principles for overall risk management including policies covering specific areas, such as foreign exchange risk management, commodity risk management and investment of funds.

#### (i) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company's exposure to credit risk primarily arises from trade receivables, balances with banks and security deposits. The credit risk on bank balances is limited because the counterparties are banks with good credit ratings. Trade receivables mainly consist of Original Equipment Manufacturers as customers. Ongoing credit evaluation is performed on the financial condition of accounts receivable. The Company's policies on assessing expected credit losses is detailed in note 2.11 to the financial statements.

#### (ii) Liquidity risk

Liquidity risk refers to the risk that the Company can not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure funds are available for use as per the requirements.

The Company operates with a low Debt Equity ratio. The Company raises short term rupee borrowings for cash flow mismatches and hence carries no significant liquidity risk. The Company has access to the borrowing facilities to honour any liquidity requirements arising for business needs. The Company has large investments in debt mutual funds which can be redeemed on a very short notice and hence carries negligible liquidity risk.

# (a) Financing arrangements

Undrawn borrowing facilities at the end of the reporting period - Rs 1,350 Million (March 31, 2022- Rs 1,350 Million))

#### (b) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

#### Contractual maturities of financial liabilities

Total	2,592.93	26.13	23.04	32.48	2,674.58

## (iii) Market risk

Market risk is the risk that the fair value of financial instruments will fluctuate because of change in market price. Market risk comprises of three types of risks - interest risk, foreign currency, and other price risk, such as equity price risk.

The Company's activities expose it primarily to currency risk and other price risk such as equity price risk. The financial instruments affected by market risk includes other current financial liabilities.

## (iii. a) Foreign currency risk

The Company has exposure to foreign currency risk on account of its payables and receivables in foreign currency which are mitigated through the guidelines under the foreign currency risk management policy approved by the Board of Directors. The Company enters into derivative financial instruments to mitigate the foreign currency risk including forward foreign exchange and options contracts for foreign currency risk mitigation.

# Foreign currency risk exposure

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting periods expressed in foreign currency, are as follows:

# Sensitivity

If INR is depreciated or appreciated by 5% vis-s-a-vis foreign currency, the impact thereof on the profit and loss of the company are given below:

(Rs. in million)

Currency Exposure	Change in currency	Effect on profit before tax	
	exchange rate	As at 31.03.2023	As at 31.03.2022
USD	+5%	(2.44)	(2.46)
	-5%	2.44	2.46
EUR	+5%	(3.57)	(4.72)
	-5%	3.57	4.72
JPY	+5%	(0.30)	(0.02)
	-5%	0.30	0.02
GBP	+5%	(0.62)	(1.46)
	-5%	0.62	1.46

#### (iii. b) Interest rate risk

The Company is exposed to interest rate risk on current borrowings and fixed deposits outstanding as at the year end. The Company's policy is to maintain a balance of fixed and floating interest rate borrowings and the proportion of fixed and floating rate debt is determined by current market interest rates. The borrowings of the Company are principally denominated in Indian Rupees. These exposures are reviewed by appropriate levels of management on a monthly basis. The Company invests in fixed deposits to achieve the Company's goal of maintaining liquidity, carrying manageable risk and achieving satisfactory returns.

#### 30.3 Capital Management

The Company manages its capital to ensure that it will be able to continue as going concern, support business stability and growth, while maximising the return to stakeholders. The Company funds its operations majorly through internal accruals. To ride over short term working capital needs, the Company occasionally avails temporary credit facilities.

As at the year end, the cash and cash equivalents were higher than the short term debts availed by the Company. The capital structure of the Company consists of no debt. The Company is not subject to any externally imposed capital requirements.

The following table provides detail of the debt and equity at the end of the reporting period :

	(Rs. in million)	
	As at	As at
	31.03.2023	31.03.2022

## Footnote to Note 33.1

The proceedings in respect of above matters are pending with respective authorities in the ordinary course of business. In the opinion of the management supported by legal advice, the proceedings against the Company, when ultimately concluded, will not have a material effect on the results of the operations or financial position of the Company.

#### 2) Other money for which the Company is contingently liable:

(Rs. in million)

Particulars	As at	As at
	31.03.2023	31.03.2022
(i) Bank guarantee furnished to Maharashtra Pollution Control Board.	-	0.50
(ii) Bank guarantee furnished to GST Department Mehsana	0.64	0.64

iii) On March 01, 2023, Directorate of Revenue Intelligence (DRI) carried out search proceedings at the premises of the Company, factory at Faridabad and informed about misclassification of certain imported goods in the import bill of entry documents and its supporting documents.

The Company did not agree with the classification proposed by DRI. To further advance this matter and demonstrate commitment to resolve any potential dispute, the Company has deposited Rs. 43 million towards differential duty of Customs under protest relating to period March, 2018 to February, 2023 subject to final assessment.

Proceedings in respect of above matter is in progress before DRI, Indore and matter is still under investigation. The Company is providing all necessary support in this regard. The Management is confident that ultimately no liability will devolve on the Company and it will be able to get the refund of Rs. 43 million referred above (included in Balance with government authorities refer note 8(a) to the financial statements).

## 34. Capital and other commitments:

(Rs. in million)

Par	ticulars	As at 31.03.2023	As at 31.03.2022
Cap	oital commitments		
(a)	Estimated value of contracts in capital account remaining to be executed (net of advances)	113.18	88.45

(b) The Company has other commitments, for purchase/sales orders which are issued after considering requirements per operating cycle for purchase/sale of goods and services, employee benefits including union agreements in normal course of business. The Company does not have any other long term commitments or material non-cancellable contractual commitments/contracts, which might have material impact on the financial statements.

# 35. Lease liabilities:

The Company's leases primarily consists of leases for land and buildings for industrial use. Under these agreements, refundable security deposits have been given. The lease agreement provides for renewable option.

## (i) Following are the changes in the carrying value of right of use assets for the year ended March 31, 2023:

	Categ	ory of ROU Ass	ets
Particulars	Land	Building	Total

(ii)	The following is the break-up of current and non-current lease liabilities:		(Rs. in million)
	Particulars	As at	As at
		31.03.2023	31.03.2022
	Non-current lease liabilities	61.38	72.16
	Current lease liabilities	10.77	9.16
		72.15	81.32
(iii)	Movement in lease liabilities		(Rs. in million)
	Particulars	As at 31.03.2022	As at 31.03.2021
	Opening Palance	04.00	00.04
	Opening Balance	81.32	89.04
	Finance costs	81.32 6.48	7.18

(iv) The table below provides details regarding the contractual maturities of lease liabilities of non-cancellable contractual commitments as on an undiscounted basis. (Rs. in million)

Particulars	As at	As at
	31.03.2022	31.03.2021
Less than one year	16.42	15.64
One to five years	72.59	70.78
More than five years	-	18.23
Total	89.01	104.65

The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

# (v) Lease related disclosures

- a) The Company has leases for land and building, each lease is reflected on the balance sheet as a right-ofuse asset and a lease liability. The Company classifies its right-of-use assets in a consistent manner to its land and building.
- b) Total cash outflow for leases for the year ended March 31, 2023 was Rs. 15.65 million (March 31, 2022 Rs.14.90 million).
- c) There are no leases which are yet to commence as on March 31, 2023.

## 36. Disclosures as per the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006

			(Amount in Rs.)
Part	iculars	For the year ended 31.03.2023	For the year ended 31.03.2022
(a)	Dues remaining unpaid as at the end of accounting year		
	Principal	108.04	80.47
	Interest on above	1.85	3.92
(b)	Interest paid in terms of Section 16 of the Act, along with the amount of payment made to the supplier beyond the appointed day during the year:		-
	Principal paid beyond the appointed date	190.75	204.04
	Interest paid in terms of Section 16 of the Act	0.31	-

(c)	Amount of interest due and payable for the period of delay on payments made beyond the appointed day during the year	1.85	1.44
(d)	The amount of interest accrued and remaining unpaid at the end of the accounting year	1.85	5.36
(e)	Further interest due and payable even in the succeeding years, until such date when the interest due as above are actually paid to the small enterprises	-	0.85

Dues to Micro and Small Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the auditors.

Note: The above interest of Rs. 1.85 million (Previous year: Rs. 5.36 million) are clubbed in Trade payables in Balance Sheet

# 37. Expenditure on Corporate Social Responsibility (CSR)

(a) As per Section 135 of the Companies Act, 2013, a Corporate Social Responsibility (CSR) Committee has been formed by the Company's CSR areas targets inclusive growth of all stakeholders under the categories, mentioned under Schedule VII of the Companies Act, 2013. The approved target areas are:

Infrastructural development

Environmental sustainability

Healthcare including sanitation and drinking water

A three-tier governance structure is responsible for implementing CSR activities at GKN Driveline (India) Limited. These include the CSR Committee of the Board, Central CSR Team, and Operational CSR Teams located at respective plant sites.

(b) Gross amount required to be spent by the Company during the year is Rs. 16.83 million (Previous year Rs. 14.37 million) and the details of amount spent and Excees/ (Shortfall) are as under:

(Rs. in million)

Amount of expenditure incurred	17.86	13.90
Excess/(Shortfall) during the year	1.03	(0.47)
Total Excess/ (Shortfall) at the end of the year	1.67	0.64
Reason for shortfall	NA	NA

(Rs. in million)

- (c) Above expenses does not include contribution to any related party of the company.
- (d) The Company does not carry any provisions for corporate social responsibility expenses for current year and previous year.
- 38. The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation for the international transactions entered into with associated enterprises during the financial year and expects such records to be in existence latest by the due date of filing of Form 3CEB, as required under law. The management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

#### 39. Segment Information

The Company is primarily engaged in the business of manufacturing and sale of driveshafts to original equipment manufacturers in the automobile industry. As the Company's business activities fall within a single primary business segment viz. auto components for automobile industry, the disclosure requirement of Indian Accounting Standard (Ind AS-108), Operating Segments is not applicable.

The analysis of geographical segment is based on the geographical location of the customers. The following table shows the distribution of the Company's sales by geographical market, regardless of where the goods were produced.

# a) Revenue to External Customers

			(110. 111 111111011)
	Particulars	year ended	year ended
		31.03.2023	31.03.2022
	Within India	9,268.20	7,865.70
	Outside India	543.70	662.59
	Total	9,811.90	8,528.29
b)	Non Current Assets		
			(Rs. in million)
	Particulars	year ended	year ended
		31.03.2023	31.03.2022
	Within India	2,965.46	3,000.48
	Outside India	-	-
	Total	2,965.46	3,000.48

# Information about major customers:

There are two customers which individually contribute more than 10% of the total revenue in current year as well as previous year. The agreegate amount of revenue from such customers account for 64.4% of total revenue. (Previous year 65%)

## 40. Ratios
