INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF STAR HEALTH AND ALLIED INSURANCE COMPANY LIMITED

1. Report on the Financial Statements

We have audited the accompanying financial statements of STAR HEALTH AND ALLIED INSURANCE COMPANY LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2016, and Revenue Accounts, the Profit and Loss Account and Receipts and Payments Statement of the Company for the year then ended, and a summary of significant accounting policies and other explanatory information.

In accordance with the provisions of Section 11 of the Insurance Act, 1938 ("the Insurance Act") read with the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 ("the Regulations") and the provision of section 129 of the Companies Act 2013 ("the Act"), the Balance Sheet, the Revenue Accounts and the Profit and Loss Account are not required to be, and are not, drawn up in accordance with Schedule III of The Act. The Balance Sheet, the Revenue Accounts and the Profit and Loss Account, are, therefore, drawn up in conformity with the Regulations.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and Receipts and Payments Statement of the Company in accordance with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, provisions of Sub section (1) of Section 129 of The Act, provisions of Section 11 of the Insurance Act read with the IRDAI Regulations/Guidelines/Circulars/orders. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates

that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements are prepared in accordance with the requirements of the Insurance Act, 1938, The Insurance Regulatory and Development Act, 1999 and The Companies Act, 2013 to the extent applicable and give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

ANNEXURE (A) REFERRED TO IN PARAGRAPH (5)(h) OF OUR REPORT OF EVEN DATE

TO THE MEMBERS OF STAR HEALTH AND ALLIED INSURANCE COMPANY LIMITED

We have audited the Internal Financial Controls over financial reporting of **STAR HEALTH AND ALLIED INSURANCE COMPANY LIMITED** as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1. Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention, in accordance with the generally accepted accounting practices and accounting requirements prescribed by the Insurance Regulatory and Development Authority (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002 ('the Accounting Regulations') and amendments if any, the Insurance Act, 1938, the Insurance Regulatory and Development Authority Act, 1999, the Accounting Standards issued by the Institute of Chartered Accountants of India ('ICAI') and the requirements of the Companies Act, 2013 ('the Companies Act'), to the extent applicable.

The Company follows the mercantile system of accounting and recognizes items of income and expenditure on accrual basis.

2. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of certain assets and liabilities as of the Balance sheet date, reported amount of certain revenues and expenses for the year and disclosure of contingent liabilities as of the balance sheet date. The estimates and assumptions used in these financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual results may differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

3. Revenue recognition for insurance business

3.1 Premium

Premium (net of Service tax) is recognized as income over the contract period or period of risk, as appropriate and for premium receivable on installment basis, it is recognized on installment due dates after adjusting for unearned premium (unexpired risk) and premium deficiency, if any. Subsequent revisions to or cancellations of premium are accounted for in the year in which they occur.

Premium deficiency is recognized whenever expected claims cost, related expenses and maintenance cost exceed related reserve for unexpired risk in Miscellaneous Revenue Accounts.

3.2 Investment Income

Interest income on investment is recognized on accrual basis.

Dividend income is recognized when the right to receive dividend is established.

Profit or Loss on sale of securities is recognized on trade date. Cost of securities is arrived on weighted average cost basis.

3.3 Income from reinsurance business

Commission on reinsurance business is recognized as income on accrual basis.

4. Reserve for Unexpired risk

Reserve for unexpired risks is created as the amount representing that part of the premium written which is attributable to and allocated to the succeeding accounting periods and has been created at 50% of the Net Written Premium of the preceding 12 months as per the directives issued by IRDAI from time to time.

5. Premium received in advance

This represents premium received during the year, where the risk commences subsequent to the balance sheet date.

6. Reinsurance

Reinsurance is ceded in the year in which risk commences and recognized over the contract period or the period of risk, whichever is appropriate as per the treaty arrangements. Any subsequent revision to or cancellation of premium is recognized in the year in which they occur. Unearned premium on reinsurance ceded is carried forward to the period of risk and set off against related unearned premium.

Premium on excess of loss reinsurance cover is accounted as premium ceded as per the reinsurance arrangements.

7. Acquisition cost

Acquisition costs are those that vary with and are primarily cost that are related to acquisition of new and renewal contracts and are expensed in the year in which they are incurred.

8. Claims

Claims incurred represents claims paid, estimated liability for outstanding claims made following a loss occurrence reported and estimated liability incurred but not reported (IBNR) and claims incurred but not enough reported (IBNER). It also includes legal and investigation fees and In House claims processing expenditure calculated at the rate of 3% of Gross Premium pertaining to Health (Retail & Group) Segment.

Estimated liability for outstanding claims in respect of direct business is provided on the basis of claims reported till the end of the financial year. IBNR and IBNER represent that amount of claims that may have been incurred during the accounting period but have not been reported / not enough reported. The appointed actuary for the purpose has certified the said amount on the basis of available statistical data.

9. Investments

Investments are made in accordance with the Insurance Act, 1938 and the Insurance Regulatory & Development Authority (Investment) (Amendment) Regulations, 2001.

Investments are recorded at cost on trade date including acquisition charges (such as brokerage, transfer stamps etc), if any, and exclude interest accrued upto the date of purchase. Investments maturing within or intended to be held for a period of less than twelve months from the balance sheet date are classified as 'Short term investments' while those maturing beyond or intended to be held for a period of twelve months or above from the balance sheet date are classified as 'Long term investments'.

Debt Securities

The net realized gains/losses on debt securities are the difference between the net sale consideration and the amortized cost, which is computed on weighted average basis.

Debt securities, which include government securities are considered as 'held-to-maturity' and are measured at historical cost. Accretion of discount and amortization of premium relating to debt securities is recognized over the holding or maturity period on a straight line basis.

Mutual Funds

All mutual fund investments are valued at realisable Net Asset Value and any unrealised gains or losses is accounted at each balance sheet date in "Fair Value Change Account" and carried forward to the Balance Sheet.

Profit / (loss) on actual sale of units of a particular mutual fund shall include the accumulated fair value change thereof and is recycled to the profit and loss account.

Investments though not separately classified in the accounts, are identified on aggregate basis with policy holders and share holders funds on same line as investment income.

Investment income is allocated to the Miscellaneous Revenue accounts and the Profit and Loss Account based on the ratio of average "Technical Funds" and "Shareholders' Funds" respectively (average of funds at the beginning and at the end of the year).

"Technical Funds" in relation to policyholders' funds are the aggregate of outstanding claims, estimates for IBNR, IBNER, Contingency reserve and reserve for unexpired risk. "Shareholders' Funds" are the aggregate of funds available to the Company's shareholders.

Fair value of investments is computed for quoted investments on the basis of the last available market price/yield-to-maturity valuation.

Investment properties are recorded at historical cost.

10.Fixed Assets and Intangibles

Fixed assets are stated at cost less accumulated depreciation. Cost includes purchase price and any incidental expenses relating to acquisition and installation.

Depreciation is provided on a straight line basis based on the useful life prescribed in the Schedule II to the Companies Act, 2013 except in the case of networking equipments included in Information Technology Equipments, where the useful life is estimated to be 5 years based on the internal technical evaluations.

Intangibles assets representing computer software are stated at cost less amortization. Computer software including improvements is amortized over a period of five years, being the management's estimate of the useful life of such intangibles.

Depreciation/Amortization on assets including Intangible assets purchased/disposed off during the year is provided on pro-rata basis with reference to the date of purchase/disposal.

All assets including intangibles individually costing less than Rs. 5000/- are fully depreciated/amortized in the year in which it is acquired.

Capital Work-in-progress represents in-house development of Computer Software which is not ready for its intended use.

Impairment of Assets

The company assess at each balance sheet date whether there is any indication that any asset may be impaired. If any such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is recognized in the Profit & Loss Account. The recoverable amount is higher of the net selling price of the assets and their value in use.

11. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period available to equity shareholders by the weighted average number of equity shares outstanding during the period.

12. Operating expenses

Operating expenses relating to insurance business are allocated to the miscellaneous revenue account, since the company is transacting only in Health Segment.

13. Retirement Benefits

Provident fund contributions and ESI contributions are made to the respective authorities at the prescribed rates and charged to Miscellaneous Revenue account and Profit & Loss account.

Defined Benefit Plan – Retirement gratuity liability is funded with Insurance Company through contributions to an approved gratuity trust. Liability therefore at each Balance sheet date is arrived at by external actuarial valuation by the fund manager using the projected unit credit method. Differential liability therefore is recognized in the accounts each year.

The Actuarial gains/losses are recognized in the Revenue accounts.

14. Foreign Currency transactions

Transactions in foreign currency are recorded at the rate of exchange on the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the closing rate of exchange at the year-end.

Exchange differences arising on foreign currency transactions are recognised as income or expense in the year in which they arise.

15. Taxation

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Deferred income-tax reflects the impact of current year timing difference between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is a virtual certainty that such deferred tax assets can be realised against future taxable profits. Other deferred tax assets of earlier years are reassessed and recognised to the extent that it has become reasonably certain that future taxable income will be available against which, such deferred tax assets can be realised.

Deferred tax asset is reviewed at each balance sheet date and appropriately adjusted to reflect the amount that is reasonably/certain to be realized.

16. MAT Credit Entitlement

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on "Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961", the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

17. Contingencies

In accordance with Accounting Standard 29 – Provisions, Contingent Liabilities and Contingent Assets issued by ICAI, to the extent applicable to the company, provisions are created in respect of obligations as a result of past events and it is probable that an outflow of resources will be required to settle the obligations, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These will be reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

MANAGEMENT REPORT

In accordance with part IV Schedule B of the Insurance Regulatory and Development Authority of India (Preparation of Financial Statements and Auditors Report of Insurance Companies) Regulations, 2002, the following Management Report is submitted:

1. The Company received the Certificate of Registration under the provisions of sub-section (2A) of section 3 of the Insurance Act, 1938 from the Insurance Regulatory and Development Authority of India, to transact the business of general insurance, from 16th March 2006 and continues to be valid. The fee for renewal of the Certificate of Registration has been paid for 2015-16.
2. All dues payable to the Statutory Authorities have been duly paid.
3. The shareholding pattern and the transfer of shares during the period ended 31st March 2016 are in accordance with the statutory or regulatory requirements.
4. No funds of the policyholders have been invested directly or indirectly outside India.
5. At the request of the company, IRDAI vide their letter Reference: FNA/HSR/COM/001/2013-14/193 dated 07.01.2016 has granted the company a time period of six months i.e., upto 31st August 2016 to comply with IRDA (Assets, Liabilities and Solvency Margin of Insurers) Regulations, 2000. Accordingly, as at the year end the company is following the provisions of section 64VA(1) of the Insurance Act as regards maintenance of solvency margin.
6. The values of all the assets have been reviewed on the date of the Balance Sheet and that in our belief the assets set forth in the Balance Sheet are shown in the aggregate at amounts not exceeding their realizable or market value under the headings – “Loans”, “Investments”, “Interest”, “Dividends and Rents accruing but not due”, “Outstanding premiums”, “Interest, Dividends and Rents outstanding”, “Amounts due from other persons or Bodies carrying on insurance business”, “Advances”, “Cash” and the several items specified under “Other Accounts” except Debt Securities which are shown at amortized cost.
7. (a) Company is exposed to a variety of risks, such as quality of risks underwritten, fluctuations in the value of assets and higher expenses in the initial years of operation etc. The Company monitors these risks closely and takes effective remedial steps to address these risks. The Company, through an appropriate reinsurance programme has kept its risk exposure at a level commensurate with its capacity.

(b) During the year under report, the company has exceeded the limits prescribed under section 40C of The Insurance Act 1938, read with Insurance Regulatory and Development Authority of India (Expenses of Management of Insurers transacting General or Health Insurance business) Regulations, 2016, with respect to limits on management expenses. The Company has already written to IRDAI Authorities for the excess expenditure on management and awaiting for their approval.

8. The Company does not have operations outside India and therefore does not have any country/currency fluctuation risks.
9. Ageing of claims indicating the trends in average claim settlement during the preceding five years are as follows:

FINANCIAL YEAR	NO. OF DAYS TO SETTLE CLAIMS (DATE OF INTIMATION VS DATE OF SETTLEMENT)	CLAIM SETTLED WITHIN 30 DAYS	CLAIM SETTLED WITHIN 31 TO 90 DAYS	CLAIM SETTLED WITHIN 91 TO 180 DAYS	CLAIM SETTLED WITHIN 181 TO 365 DAYS	CLAIM SETTLED AFTER ONE YEAR

2011-2012	8	26,847	54,944	22,140	11,048	0

10. Investments in Government Securities and other Debt Securities have been considered as "Held to Maturity (HTM)" and have been measured at historical cost subject to amortization.

The market value of investments in Debt Securities including Government Securities have been ascertained by reference to the quotations published on the last working day of the financial year by FIMMDA. The market value of Debt Securities including Government Securities which were not quoted on the last working day of the Financial year have been ascertained on the basis of prevailing Yield to Maturity provided by FIMMDA. The aggregate investments as per Schedule 8 annexed to the Balance Sheet and the Fixed Deposits held with Banks (included in Schedule 11) stood at Rs. 9,843,546 thousands as at 31st March 2016. The investment income, net of amortization including profit on sale of investments was Rs. 812,623 thousands for the year ended 31st March 2016. The weighted average yield on all the income bearing Investments (Excluding Real Estate) was 8.48%. The weighted average yield on all Investments (Including Real Estate) was 9.41%.

Market Value of Investment in Property is ascertained on the basis of valuation report.

11. The Company has adopted a prudent investment policy with emphasis on optimizing return with minimum risk. Significant weighing of the assets has been made towards low risk investments such as Government Securities, Treasury bills and other good quality Debt instruments.

All the investments have been duly serviced and there are no non-performing assets as on the Balance Sheet date.

12. Director's Responsibility Statements:

- I. In the preparation of financial statements, the applicable Accounting Standards, principles and policies have been followed along with proper explanations relating to material departures, if any.
 - II. The management has adopted accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year ended 31st March 2016 and of the Operating Profit of the Company for the financial year ended 31st March 2016 and of the Net Profit of the Company for the financial year ended 31st March 2016.
 - III. The Management has taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the applicable provisions of the Insurance Act, 1938 and Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
 - IV. The Management has prepared the financial statements on a going concern' basis.
 - V. The Management has put in place an internal audit system commensurate with the size and nature of the business and it is operating efficiently.
13. There are no payments other than those arising in the normal course of the Company's Insurance business, made to individuals, firms, companies and organizations in whom / which the directors of the company are interested.
