**Dear Shareowners,**

As we present the 61<sup>st</sup> Annual report of Hella India Lighting Limited, we hope you're doing fine amidst the pandemic along with your family. This year has brought its own share of upheavals and challenged us with unforeseeable obstacles, both in terms of health & well being of individuals and in terms of doing business. We have managed to stay resilient, thanks to your support.

The Financial Year 2020-2021 was a significant period of growth and prosperity for us, both in terms of profitability and sales.

After the full national lockdown during 25 March to 30 April 2020 and partial lockdown that continued in varying stages up to 30 November 2020, things were gradually moving for the better. Subsequent to the first and second quarters of FY2021 — when real GDP crashed — we were beginning to see some green shoots of recovery.

In such disheartening circumstances, your Company has done quite well in not only limiting its downside but also in posting relatively healthy results. The major reason of increase is improvement in Export sale and Aftermarket (IAM) domestic. Let me briefly share these.

During the year, Hella undertook a lot of initiatives, which are expected to have environmental benefits and improve sustainability of the organization. At our Derabassi plant we have Installed 302 KW roof top Solar plant towards Green energy. New Arzuffi Metallizer has been installed with latest technology, which has 3 Times higher capacity as compared to existing Metallizer. Also, 1st Time ever BMC Reflectors, PC Lenses & 2K lenses are being produced in HIL.

Intensive research carried out in the domains of electronics, thermal engineering and design has helped us come up with ingenious products in our journey of LED-fication strategy of rear lamp & single function lamps. We have acquired significant global business in LED technology of single function lamp for a new vehicle Platform. We understand that Future will be LED Modular head lamp approach for our Indian market, hence we are developing new products providing German technology at an affordable Indian cost, providing value for money for our customers. Our R&D team is working together with our German expert for this innovative product which will be launched next year in the LED Front lighting domain. Our Plant upgradation project HIL 2.0 is fully operational with increased capacity of molding up to 1300Ton. Our Lens coating & BMC coating is fully operational with Robotic technology, which is approved by major OEM's. This has reaffirmed our strength as one of the leaders in the automotive lighting technology. This is also a testament of our journey towards becoming a globally preferred solutions partner in the automotive industry.

In Aftermarket, we have launched various new product like 2W head lamp, 2W Spark Plugs, Break pads for PCV, Engine Oil Range Extension and Filter Range Extension in order to strengthen our product portfolio.

We truly believe that human resource management is a critical function and requires equal and utmost attention. Therefore, in an effort to enhance productivity, HELLA has been consistently providing its employees with needed trainings, ensuring their and the company's success simultaneously. HELLA has been able to achieve benchmark in quality performance because of this very approach.

HELLA takes great pride that our Leadership Team at HIL has been acknowledged as India's Best Leader in Times of Crisis, by GPTW. We are also pleased to inform you that we have been certified again as Great Place to Work-Certified™ company for building a High-Trust, High-Performance Culture™ in the organization

**Hella has been recognized among top 50 Great Places to Work Companies for 2021 in mid-size segment.** Every year, more than 10,000 organizations from over 58 countries partner with Great Place to Work® Institute for assessment, benchmarking and planning actions to strengthen their workplace culture.

Our efforts at ensuring road safety manifested into collaborations with NGO ClubD2S that is working towards arresting alarming road deaths. Hella along with NGO, Drive Smart Drive Safe, FICCI, SIAM & many other like-minded organisations, launched an Innovative & Participative Mass Campaign on Road Safety, titled #SafeSpeedChallenge, in a format of National Road Safety Championship Challenge. The campaign started during the Ministry's 1st ever National Road Safety Month and was flagged off on January 18th by Hon'ble Minister's Rajnath Singh Ji & Shri Nitin Gadkari Ji. An All-Women Team of Challengers went on a never before mission from Amritsar to Kanyakumari in India's 1st ever National Championship on Safe Driving. These women took the challenge to be part of Live-On-Camera National Championship of Safe Driving, defeating 3.5 lakh potholes and road risks on Indian roads.

These Challengers drove to Kanyakumari via Amritsar, Chandigarh, Delhi, Jaipur, Udaipur, Vadodara, Mumbai, Goa, Mangalore, Kozhikode/Calicut & Trivandrum. The Rally reached its final destination Kanyakumari on 29th January after travelling 3500 km across the country demonstrating safe speed & safe distance throughout the journey, driving in Convoy style maintaining Traffic Distancing format and Safe Speed & Safe Distance between the vehicles and became "Role-Model" for all Road Users. The rally was Live all throughout, with Speed & location tracking.

The objective of this campaign was not only to induce behavioral shift among masses, but to also encourage Corporate's, Industry Associations, NGOs, and Civic Bodies to come together & take Safe Speed Challenge Championship, for the noble cause of reducing road deaths

The rally further motivated Citizens to join National Championship across the country as a Popular Game to learn Speed management themselves, through a Mobile App Voice Alerts. Anyone could download India Against Road Crash App to participate or Register for the Challenge on [www.indiaagainstroadcrash.org](http://www.indiaagainstroadcrash.org), take a 8 Point Road Safety Pledge, receive instant Participation Certificate & Challenge their Friends & Family by tagging them on social media and drive safely during

Road Safety month, while using the App. to slow down when alerted for any safety hazard and in the process score Safe Speed Miles in Kilometers to Win the championship & take the Trophy home.

To conclude, it would be right to say that we remain encouraged and confident of achieving our long-term objectives of inclusive, sustainable and profitable growth. I believe that our strategy, prudent approach, focus on swift execution and a committed team will enable us to improve our performance further and create a greater shareholder value.

As we look ahead, the post Covid-19 world will have its own share of challenges, however it's with your support that we look forward to conquering them all.

Now I would like to take this opportunity to thank all our employees for their contribution which has led to the continued success of Hella. I would also like to extend my gratitude towards our business partners, associates, vendors and also the Central, State governments and government agencies for their sustained support. I also extend my gratitude towards shareholders for their continued faith, trust, encouragement and support.

I would certainly like to take this opportunity to salute the zeal and valor of our entire frontline Corona Warriors specially the Doctors, the hospital staffs, the essential service providers, the police and finally the state governments and the Govt. of India in their relentless fight against COVID-19.

I firmly believe that we shall overcome this pandemic with all guts and glory till then let's keep up the fight.

Stay safe. Vaccinate yourselves. Remain protected.

Sd/-

Sincerely yours

Ramashankar Pandey

### 2. BUSINESS OPERATIONS AND THE STATE OF COMPANY'S AFFAIRS

The financial year 2020-21 was a challenging year, owing to certain new kind of business challenges, primarily due to the impact of COVID-19 world-wide, including India. Despite challenges, the Company maintained its momentum that led to an increase in its **Revenue from Operations**, which grew from INR 17,26,282,000/- to **INR 19,29,007,000/-**. However, the **Expenses** of the Company were increased to **INR 19,31,307,000/-** from INR 17,17,121,000/-, in the previous year, owing to increase in cost of Raw material and components, Employee Benefit expenses, Finance Costs (including interest on

borrowings) etc. Your Company still managed to have **Profit Before Tax of INR 27,863,000/-, which was higher than of the previous year, i.e. INR 26,229,000/-**. However, post consideration of Net Current Tax expenses, Prior year tax expenses & Deferred Taxes, which increased from INR 7,141,000/- to INR 27,549,000/-, your Company had a **profit after tax of INR 314,000/-, compared to a Profit After Tax of 19,088,000/-, in the previous financial year**. After considering the other comprehensive income/(loss) of INR (1,297,000/-), Total **comprehensive income/(loss) stands at INR (983,000/-)**. The Basic and diluted Earning per share (for equity share having face value of Rs. 10 each) stands at INR 0.10, as on 31<sup>st</sup> March, 2021, compared to INR 6.02, as on 31<sup>st</sup> March, 2020.

Your Company however continues to retain its customers, and at the same time is continuing to build new associations, which reflects the ongoing trust of our customers to whom we dedicate our daily work.

Your Company is quite optimistic considering the increasing content per vehicle due to various technological advancement and various regulatory measures such as emission, safety regulations etc., and believes that the growth in the auto component industry will be relatively higher than the underlying growth in the automotive industry in the medium to long term.

### 3. CHANGE IN NATURE OF BUSINESS

There has been no change in the nature of business, during the year under review.

### 4. MATERIAL CHANGES AND COMMITMENTS

There have been no material changes and commitments, affecting the affairs/financial position of the Company which have occurred between the end of the financial year to which the financial statements relate, i.e. 31 March, 2021 and the date of this report.

### 5. DIVIDEND

Your Company had a total comprehensive loss, post tax of INR (983,000/-) during the current financial year. Your Board of Directors have thus considered it prudent to retain its earlier profits into the business, in view of proposed capex and working capital requirements for future growth prospects. Accordingly, your Directors have decided not to recommend any dividend for the year under review.

### 6. TRANSFER TO GENERAL RESERVES

In view of the total comprehensive loss, post tax of INR (983,000/-) during the current financial year, your Company has not transferred any amount(s) to the General Reserves of the Company, during the current financial year.

### 7. MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT & CORPORATE GOVERNANCE

Management's Discussion and Analysis and Corporate Governance Report for the year under review is presented in a separate section and forms part of this Annual Report.

### 8. SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES

During the year under review, no Company has become or ceased to become its subsidiary(s) or Joint Venture or Associate Company.

### 9. DIRECTORS' RESPONSIBILITY STATEMENT

In accordance with the provisions of Section 134(3)(c) & 134 (5) of the Companies Act, 2013, the Board of Directors hereby confirm that:

- (a) in the preparation of the annual accounts for the year ended 31st March, 2021, the applicable accounting standards have been followed and there are no material departures from the same;
- (b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the

state of affairs of the Company as at 31st March, 2021 and of the profit/loss of the Company for the year ended on that date;

- (c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the Directors have prepared the annual accounts on a 'going concern' basis;
- (e) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

## **10. DIRECTORS AND KEY MANAGERIAL PERSONNEL(KMP)**

Dr. Nicolas Wiedmann had tendered his resignation w.e.f 31st August 2020 to the Board of Directors of your company from the post of Non-Executive Director. ## MANAGEMENT DISCUSSION & ANALYSIS REPORT

The intense competition among the vendors has resulted in increased investment in R&D and implementation of high technology solutions in machine tools. Another major contributor to India's growing reputation is the emergence of the market as a key innovator auto component and knowledge hub for many overseas firms. The new threat imposed by nCovid 19 has put another threat to humanity and industry as a whole.

## MANAGEMENT PERCEPTION OF RISK & CONCERN

Risk Management is a key aspect of the "Corporate Governance Principles and Code of Conduct" which aims to improvise the governance practices across the Company's activities. Risk management policy and processes enable the Company to proactively manage uncertainty and changes in the internal and external environment to limit negative impacts and capitalize on opportunities.

The specific objectives of the Risk Management Policy are:

1. To ensure that all the current and future material risk exposures of the company are identified, assessed, quantified, appropriately mitigated, minimized and managed i.e. to ensure adequate systems for risk management.
2. To establish a framework for the company's risk management process and to ensure its implementation.
3. To enable compliance with appropriate regulations, wherever applicable, through the adoption of best practices.
4. To assure business growth with financial stability.

The Board of Directors of the Company periodically review and evaluate the risk management system of the Company so that the management controls the risks through properly defined network. Management is responsible for ensuring that risks are identified, analyzed, evaluated and mitigated. Management monitor and report on material risks identified through the internal and external audit process.

The Internal Audit program is aligned to the company's risk profile and is responsible for providing independent assurance in relation to the effectiveness of processes to manage particular areas of risk. The scope of internal audit's risk-based program is agreed to as part of an annual plan which is refined as necessary

Head of Departments are responsible for implementation of the risk management system as may be applicable to their respective areas of functioning and report to the Board and Audit Committee.

## **INDEPENDENT AUDITOR'S REPORT**

### **To The Members of Hella India Lighting Limited Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of Hella India Lighting Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and its profit total comprehensive income (loss) , its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the information included in the Board/Director's report including annexures to Directors/ Board's Report, but does not include the financial statements and our auditor's report thereon.

- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on 31 March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

## **ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT**

**(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Hella India Lighting Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on "the criteria for internal financial control over financial reporting established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

**ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT**  
**(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements'**  
**section of our report of even date)**

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a program of verification of fixed assets to cover all the items once in a year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the erstwhile name of the Company "J.M.A. Industries Limited" as at the balance sheet date. In respect of immovable properties of land and buildings that have been taken on lease have been disclosed under Right to Use of Assets and leasehold improvements are disclosed as property, plant and equipment in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
- (ii) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals other than for inventories lying with third parties at the end of the year for which confirmations have been obtained and no material discrepancies were noticed on physical verification.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- (iv) The Company has not granted any loans, made investments or provided guarantees and hence reporting under clause (iv) of the Order is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposit during the year.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, *prima facie*, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) According to the information and explanations given to us, in respect of statutory dues:
  - (vii) (a) The Company has been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues applicable to it to the appropriate authorities.

- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Goods and Service Tax, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.

(c) Details of dues of Income-tax, Goods and Service Tax, Customs Duty, Excise Duty, which have not been deposited as on March 31, 2021 (*specify year end date*) on account of disputes are given below:

<b>Name of statute</b>	<b>Nature of dues</b>	<b>Forum where dispute is pending</b>	<b>Period to which the amount relates</b>	<b>Amount involved and not paid (Rs. in Thousand)</b>
Punjab VAT Act 2005	Sales Tax	Punjab VAT Tribunal	AY 2012-13	439 <sup>1</sup>
Income-tax Act, 1961	Income-tax	Commissioner of Income Tax (Appeals)	AY 2017-18	74,874 <sup>2</sup>

<sup>1</sup>Net of Rs. 146 thousand paid under protest.

<sup>2</sup>Net of Rs. 12,500 thousand paid under protest.

- (viii) The Company has not taken any loans or borrowings from financial institutions, banks and government or has not issued any debentures. Hence reporting under clause (viii) of CARO 2016 is not applicable to the Company.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause (ix) of the Order is not applicable.
- (x) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.

- (xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of Order is not applicable to the Company.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding, subsidiary or associate company or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable.
- (xvi) The Company is not required to be registered under section 45-I of the Reserve Bank of India Act, 1934.

The registered office of the Company is located at K-61 B, LGF, Kalkaji, New Delhi – 110019. Its shares were listed on Bombay Stock Exchange and Delhi Stock Exchange. Delhi Stock Exchange allowed delisting of shares in previous years. On 30 April 2015, the Company got delisted from Bombay Stock Exchange. The Company is primarily engaged in manufacturing of automotive lights, switches, blinkers etc.

**2 Significant accounting policies****(i) Statement of compliance**

The financial statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

The financial statements for the year ended 31 March 2021 were authorized and approved by the audit committee on 27 August 2021.

**(ii) Basis of accounting and preparation of financial statements**

The financial statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purpose, fair value measurement are categorised into level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in the entirety, which are described as follows:

- Level 1 inputs are quoted price (unadjusted) in active markets for identical assets or liabilities that the entity can access at measurement date.
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Considering the size of the Company, the financial statements have been prepared in Thousand Indian rupees.

All assets and liabilities have been classified as current or noncurrent according to the Company's operating cycle and other criteria set out in the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current non-current classification of assets and liabilities.

The principal accounting policies are set out below.

**Hella India Lighting Limited**

(All amounts are in Thousand Indian Rupees, unless otherwise stated)

**Notes to the financial statements for the year ended 31 March 2021****(iii) Use of estimates**

The preparation of financial statements are in conformity with Indian Accounting Standards (Ind AS), requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialise.

**(iv) Revenue recognition**

Revenue from the sale of products or services is recognized upon transfer of control to customers. Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example, taxes and duties collected on behalf of the government). A receivable is recognized upon satisfaction of performance obligations as per the Contracts.

Designing and service income is recognized on an accrual basis as and when the services are rendered in accordance with the terms of the underlying contract.

Interest income is recognised using the time proportion method, based on underlying interest rates.

Other revenues are recognised on accrual basis.

**(v) Government Grants**

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

**(vi) Property, plant and equipment**

Property, plant and equipment held for use in production or supply of goods and services or for administration purpose are stated at cost of acquisition or construction less accumulated depreciation less accumulated impairment, if any. Cost is inclusive of freight, duties, taxes and any other directly attributable costs to bring the assets to their working condition for intended use. Freehold land is measured at cost and is not depreciated.

*Depreciation methods: estimated useful lives and residual value*

Depreciation is calculated using the straight-line method on a pro-rata basis from the month in which each asset is put to use to allocate their cost, net of their residual values, over their estimated useful lives.

Schedule II to the Companies Act 2013, prescribes useful lives for fixed assets. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported.

The rates are based on an internal technical evaluation report as issued by management and are determined after considering following factors:

- Expected usage of the asset.
- Expected physical wear and tear

**Hella India Lighting Limited**

(All amounts are in Thousand Indian Rupees, unless otherwise stated)

**Notes to the financial statements for the year ended 31 March 2021**

- Technical and commercial obsolescence
  - Understand past practices and general industry experience
- The rates as mentioned below were discussed with the holding company and were approved by Board of Directors in their meeting held on 13 November 2014.

Considering the applicability of Schedule II, management has re-estimated useful lives and residual values of all its fixed assets. Accordingly, the depreciation has been provided on the following rates:

<b>Assets</b>	<b>Useful lives</b>
Building	30 Years
Plant and machinery (Injection moulding machine, Metallizer, Drying and Conveying system and other peripheral machines)	12 Years
Plant and equipment (other than above)	8 Years
Plant and equipment (Tools)	5 Years
Plant and equipment (Electric installation)	8 Years
Computers	3 Years
Furniture and fixtures	10 Years
Office equipment	5 Years
Vehicles (Commercial)	6 Years
Vehicles (other than commercial)	5 Years

Any gains and losses on disposal are determined by comparing proceeds with carrying amount and are credited / debited to the statement of profit and loss.

The estimated useful life, residual value and depreciation methods are reviewed by the management at the end of each reporting period, with the effect of change in estimate accounted for an prospective basis year.

Management believes that depreciation rates mentioned above fairly reflect its estimate of the useful lives and residual values of fixed assets, though these rates in certain cases are different from lives prescribed under schedule II.

Leasehold improvements are amortised over the estimated useful life of the asset as estimated by management of the remining period of the lease, whichever is shorter.

Assets costing up to Rs. 5,000 are fully depreciated in the year of purchase.

*Transition to Ind AS*

For transition to Ind AS, in previous year, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of 1 April 2017, measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

**(vii) Intangible assets**

Intangible assets are recognized only if acquired and it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of assets can be measured reliably. The intangible assets are recorded at cost of acquisition including incidental costs related to acquisition and installation and are carried at cost less accumulated amortization and impairment losses, if any.

**Amortization methods and useful lives**

Intangible assets comprise software. Intangible assets are amortized in the Statement of Profit and Loss over their estimated useful lives, from the date they are available for use based on the expected pattern of consumption of

economic benefits of assets. Accordingly, at present software's is being amortized on straight line basis over the useful life of 3 years.

*Transition to Ind AS*

On transition to Ind AS, in previous year, the Company has elected to continue with the carrying value of its intangible assets recognised as at 1 April 2017, measured as per the previous GAAP and use that carrying value as the deemed cost of the intangible assets.

**(viii) Capital work-in-progress**

Cost of assets not ready for use as at the balance sheet date and fixed assets under construction are disclosed as capital work-in-progress. Capital work-in-progress is disclosed at cost less impairment reserve (if any).

**(ix) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit and loss, are added to the fair value on initial recognition.

**Financial assets**

All regular way purchase or sale of financial assets are accounted for at trade date basis. All recognized financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of financial assets.

**Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle liabilities simultaneously.

**Classification of financial assets:****Financial assets that meet the following conditions are subsequently measured at amortised cost:**

- i) Asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- ii) The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Effective interest method:** The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premium or discounts) through the expected life of financial instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for financial instruments other than those financial assets classified as FVTPL. Interest income is recognized in profit and loss and is included in the "Other Income" line item.

**Hella India Lighting Limited**

(All amounts are in Thousand Indian Rupees, unless otherwise stated)

**Notes to the financial statements for the year ended 31 March 2021****Financial assets at fair value through profit and loss**

Financial asset which are not classified in any of the above categories are subsequently measured at fair value through profit and loss (FVTPL).

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost.

**Financial liabilities and equity instruments**

**Classification as debt or equity:** Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and definitions of a financial liability and an equity instrument.

**Equity instruments:** An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

**Compound Financial Instruments:**

All financial liabilities are subsequently measured at amortised cost or at fair value through profit or loss (FVTPL). For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**(x) Inventories**

Inventories are valued at cost or net realizable value, whichever is lower. The cost formula applied for inventories is moving weighted average.

In determining cost of work in progress and finished goods, fixed production overheads are allocated on the basis of normal capacity of production facilities and variable production overheads are assigned to each unit of production on the basis of actual use of the production facilities.

Stores and spares and raw materials held for use in production of finished goods are not written down below cost except in cases where material prices have declined, and it is estimated that the cost of the finished goods will exceed their net realizable value.

Obsolete, defective and unserviceable stocks are duly provided for, wherever required.

**(xi) Preference shares**

The Company had issued Non-Cumulative Non-Convertible Redeemable Preference Shares (RPS) in multiple tranches. Each Non-Cumulative Non-Convertible Redeemable Preference Share carry non-cumulative preferential dividend @ 0.0000001% p.a. RPS are redeemable at par at any time after five years but prior to the expiry of twenty years from the date of allotment.

RPS that are treated as financial liability in accordance with the requirements of Ind AS 32, are initially recognised at fair value and subsequently measured at amortised cost using effective interest rate method (EIR).

**Hella India Lighting Limited**

(All amounts are in Thousand Indian Rupees, unless otherwise stated)

**Notes to the financial statements for the year ended 31 March 2021****(xii) Borrowing Cost**

Borrowing costs attributable to the acquisition or construction of a qualifying assets are capitalized as a part of the cost the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

**(xiii) Foreign currency transactions and translations**

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the respective transactions. Monetary foreign currency assets and liabilities remaining unsettled at the balance sheet date are translated at the rates of exchange prevailing on that date. Gains/ (losses) arising on account of realization/ settlement of foreign exchange transactions and on translation of foreign currency assets and liabilities are recognized in the Statement of Profit and Loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

**(xiv) Employee benefits***Short-term employee benefits*

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus, etc., are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

*Post-employment benefits*

**Defined benefit plans:** The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The calculation of the Company's obligation is performed annually by a qualified actuary using the projected unit credit method.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, are recognised in other comprehensive income (OCI). The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit are recognised in profit and loss.

**Defined contribution plans:** The provident fund is a defined contribution plan; the Company pays fixed contributions to the appropriate government authorities and has no obligation to pay further amounts. Such fixed contributions are recognized in the Statement of Profit and Loss on accrual basis in the financial year to which they relate.

**Other long-term employee benefits:** Benefits under the Company's leave encashment policy constitutes other long-term employee benefits. The liability in respect of leave encashment is provided on the basis of an actuarial valuation done by an independent actuary at the year-end. Actuarial gains and losses are recognized immediately in the Statement of Profit and Loss.

**(xv) Service tax input credit**

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilizing the credits.

**Hella India Lighting Limited**

(All amounts are in Thousand Indian Rupees, unless otherwise stated)

**Notes to the financial statements for the year ended 31 March 2021****Goods and Service tax input credit:**

Goods and Service tax input credit is accounted for in the books in the period in which the underlying goods/service received is accounted and when there is reasonable certainty in availing / utilizing the credits.

**(xvi) Impairment**

The carrying values of assets are reviewed at each reporting date to determine if there is indication of any impairment. If any indication exists, the asset's recoverable amount is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each reporting date. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount and is recognized in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognized.

**(xvii) Leases**

The Company's lease asset classes primarily consist of leases for building and vehicles. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered on or after April 1, 2019.

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets (assets of less than Rs. 350 in value). The Company recognizes the lease payments associated with these leases as an expense over the lease term.

In the comparative period, lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight-line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

**(xviii) Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

**Hella India Lighting Limited**

(All amounts are in Thousand Indian Rupees, unless otherwise stated)

**Notes to the financial statements for the year ended 31 March 2021****(xix) Earnings per share**

Basic earnings per share are computed using the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity shares to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period.

Diluted earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by aggregate of weighted average number of equity shares and weighted average number of equity shares which would be issued on the conversion of all the dilutive potential equity shares into equity shares outstanding during the year adjusted for all effects of dilutive potential equity shares. Potential equity shares are treated as dilutive when their conversion to equity shares would decrease net profit per share of the Company.

**(xx) Provisions, contingent liability and contingent assets**

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

**Warranty:** The estimated liability for product warranties is recorded when products are sold. These estimates are established using historical information on the nature, frequency and average cost of warranty claims and management estimates regarding possible future incidence based on corrective actions on product failures. The timing of outflows will vary as and when warranty claim will arise – being typically up one year.

As per the terms of the contracts, the Company provides post-contract services / warranty support to some of its customers. The Company accounts for the post-contract support/provision for warranty based on the information available with the Management duly taking into account the current and past technical estimates.

**Contingent liability:** A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent asset are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

**(xxi) Taxes on income**

**Current tax:** The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

**Deferred tax:** Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Deferred tax liabilities and

**Notes to the financial statements for the year ended 31 March 2021**

assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

**Minimum alternate tax:** Minimum alternate tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is considered as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

**(xxii) Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting to the Chief Operating Decision Maker "CODM" of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segment. The Company has monthly review and forecasting procedure in place and CODM reviews the operations of the Company as a whole (refer note no. 4.34).

**(xxiii) Significant management judgement in applying accounting policies and estimation uncertainty**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures.

**Significant management judgements and estimates**

The following are significant management judgements and estimates in applying the accounting policies of the Company that have the most significant effect on the financial statements.

**Evaluation of indicators for impairment of assets** – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

**Recoverability of advances/receivables** – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

**Defined benefit obligation ("DBO")** – Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

**Fair value measurements** – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

**Useful lives of depreciable/amortizable assets** – Management reviews its estimate of the useful lives of depreciable/amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence.

**Evaluation of Revenue recognition under Ind AS 115** - Revenue is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The management is of the view that its revenue arrangements are in line with the standard requirements.

**Notes to the financial statements for the year ended 31 March 2021****3 COVID Impact on financial statements**

In December 2019, an outbreak of a new strain of coronavirus (“COVID-19”) began in Wuhan, Hubei Province, China. In March 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic has negatively impacted the global economy, disrupted global supply chains and created significant volatility and disruption of financial markets, it has impacted the operations of the Company as well. The Company has made detailed assessment of its liquidity positions for next one year and of the recoverability and carrying values of its assets comprising property, plant and equipment, inventories, receivables and other current assets as at the balance sheet date and on the basis of valuation based on current estimates has concluded that no material adjustments is required except impairment of assets as disclosed in note 4.01 to the financial statements and subsequent liquidity is available to fund the business operation for at least another 12 months. The management has carried out physical verification of inventory subsequent to the year end and confirm that the inventory is consumable as per plan and no value in diminution is required. The impact of COVID 19 on the Company's Financial Statements may differ from that estimated at the date of approval of these Financial Statements and would be recognized prospectively.

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances Rs.)	43,087	23,215

- b) The Company did not have any long term commitments/contracts including derivative contracts for which there will be any material foreseeable losses.

**4.30** There were no amounts which were to be transferred to Investor and Protection Fund by the Company.

**4.31 Contingent liabilities**

Contingent liabilities with respect to disallowance of expenses under Income-tax of Rs.9,242 (previous year Rs. 9,242) considered to the extent of adjustment of carry forward losses on which DTA has not been recognised.

**4.32 Employee benefits**
**a) Defined Contribution Plans**

The Company makes Provident Fund and Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the Schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised Rs. 13,388 (previous year Rs. 11,456) for Provident Fund contributions in the Statement of Profit and Loss. The contributions payable to these plans by the Company are at rates specified in the rules of the schemes.

**b) Gratuity Plan (defined benefit plan)**

The Company operates a gratuity plan covering qualifying employees. The benefit payable is as per the Payment of Gratuity Act, 1972. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

**Risk Exposure**

**Inherent risk:** The plan is defined benefit in nature which is sponsored by the Company and hence it underwrites all the risks pertaining to the plan. In particular, this exposes the Company to actuarial risk such as adverse salary growth, change in demographic experience. This may result in an increase in cost of providing these benefits to employees in future.

**Salary inflation risk:** Higher than expected increases in salary will increase the defined benefit obligation.

**Demographic risk:** This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

The following table sets forth the status of the Gratuity plan of the Company, and the amounts recognised in the Balance Sheet and Statement of Profit and Loss.

Particulars	As at 31 March 2021	As at 31 March 2020
<b><u>Changes in the present value of defined benefit obligation</u></b>

**Sensitivity Analysis for significant actuarial assumptions**

Particulars	Year ended 31 March 2021		Year ended 31 March 2020	
	Decrease	Increase	Decrease	Increase
Defined Benefit Obligation (Base)				
Discount Rate (- / + 1%)	32,016	26,588	27,955	23,351
(% change compared to base due to sensitivity)	10%	-9%	10%	-8%
Salary Growth Rate (- / + 1%)	26,656	31,900	23,424	27,840
(% change compared to base due to sensitivity)	-8%	10%	-8%	9%
Attrition Rate (- / + 1%)	29,111	29,102	25,483	25,496
(% change compared to base due to sensitivity)	0%	0%	0%	0%

The sensitivity analysis has been determined based on possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The sensitivity analysis present above may not be representative of the actual change in the defined obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be co-related.

**c) Compensated absences**

## Actuarial assumptions for long terms compensated absences

Particulars	As at 31 March 2021	As at 31 March 2020

**4.36 Leases**

The Company has adopted Ind AS 116 'Leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 – Leases and related interpretation and guidance. The Company has applied Ind AS 116 using the modified retrospective approach, under the Company recognises a right-of-use asset and a lease liability at 1 April 2019. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date. As a result, the comparative information has not been restated. In adopting Ind AS 116, the Company has applied the below practical expedients:

The Company has applied a single discount rate to a portfolio of leases with reasonably similar characteristics

The Company has treated the leases with remaining lease term of less than 12 months as if they were "short term leases"

The Company has not applied the requirements of Ind AS 116 for leases of low value assets (assets of less than USD 5,000 in value)

The Company has excluded the initial direct costs from measurement of the right-of-use asset at the date of transition

The Company has used hindsight, in determining the lease term if the contract contains options to extend or terminate the lease

**The Company as a lessee**

The Company's leases primarily consists of leases for building and vehicles. Generally the contracts are made for fixed period and does not have a purchase option at the end of lease term.

**(i) Amount recognised in the Balance sheet**

The balance sheet shows the following amounts relating to the leases:

The total cash outflow for leases for the year ended 31 March 2021 were Rs.	12,536	15322

**(iii) Extention and termination option**

Extention and termination options are included in various leases executed by the Company. These are used to maximise operational feasibility in terms of managing the assets used in company's operations. Generally, these options are exercisable mutually by both the lessor and lessee.

**Hella India Lighting Limited**

Notes to financial statements for the year ended 31 March 2021

(All amounts are in Thousand Indian Rupees except number of shares)

(iv) The Company has operating leases under non-cancellable arrangement. The details of minimum lease obligations and lease payments recognised during the year are as under :

Particulars	As at 31 March 2021	As at 31 March 2020

The Company has not issued any potential equity shares and accordingly the basic earnings per share and diluted earnings per share is the same.

**4.38** The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing regulation under sections 92-92F of the Income-Tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company continuously updates its documentation for the international transactions entered into with the associated enterprises during the financial year and expects such records to be in existence latest by the due date as required under law. The management is of the opinion that its international transactions are at arms length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of income tax expense and that of provision for

In 2005-06, the Company had applied for delisting from Delhi Stock Exchange ('DSE') and Bombay Stock Exchange ('BSE'). While DSE allowed the Company to delist, BSE rejected the application vide letter dated 15 February 2006. On appeal, the Securities Appellant Tribunal ('SAT') passed a favorable order dated 27 May 2008 for delisting of the Company. However, the said order of SAT was challenged before the Honourable Supreme Court of India by certain individual shareholders. The Supreme Court vide order dated 24 October 2008 stayed the delisting of the Company and the matter was sub-judice.

On 10 December 2014, the Hon'ble Supreme Court dismissed the appeal and granted its permission for delisting of the Company and further added that, the order passed by Securities Appellant Tribunal (SAT) on 27 May 2008 should be treated as valid from the date of passing such order. Subsequent to the order, the Company requested Bombay Stock Exchange (BSE) vide letter dated 19 December 2014 to grant the delisting permission. Further to the request, an aggrieved shareholder had filed a complaint with Securities Exchange Board of India vide email dated 26 December 2014 on the exit price for the shareholders. The Company has responded to the grievance vide letter dated 2 February 2015.

On 17 April 2015, the Bombay Stock Exchange delisted the shares of the Company w.e.f. 30 April 2015 and stated that the exit option will be kept open by the Acquirer – Hella India Automotive Private Limited (HIAPL) initially for six months at a rate of Rs. 52.39 per equity share.
