## MESSAGE OF MANAGING DIRECTOR

## Dear Shareholders,

Firstly I would like to thank you all for your support and understanding to our business and management directions. I am happy to inform you that your company has achieved significant improvements in its performance. Our strategy to further consolidate our position in South India through new branch openings have started bearing fruits in both turnover and market share. FY 17-18 has been a positive year for the Indian economy, despite the factors like demonitisation and GST roll out. Today, India stands as the 6th largest economy in the world, thus presenting huge opportunities for your company to grow and proposer in the years to come.

Your Company would be completing 27 years of its existence in the current fiscal and is poised to grow into new territories. Very few organizations are fortunate to achieve such a rare distinction in its corporate life cycle. The sheer hard work, determination, foresightedness, able leadership and perseverance of employees at all levels have made it possible for the Company to achieve this milestone.

It is a great pleasure to report that we have been able to add happiness to more than a lakh customers with presence in 127 branches in 5 states in South India as on March 2018.

I feel delighted to inform you that for the year ended 31st March, 2018, your Company has achieved total income of INR 29,07,80,193/- and 'profit before tax' for the year was INR 1,05,98,778.

FY 2017-18 was a defining year for ICL both in terms of financial performance and strategic growth. To all our stakeholders, crossing Rs. 120 crore mark in Assets Under Management (AUM) is a matter of immense pride and a great milestone to recognise and celebrate.

During this year, we made solid progress on many fronts, the foremost being that we have now 127 branches spread across Kerala, Tamil Nadu, Karnataka, Andhra-Pradesh and Telangana and we are continuously striving to expand our wings by opening branches all over India.

It is with extreme proud; I inform you that, the Acuite Ratings and Research Limited has rated ACUITE BB+/ Stable. The rating upgrade is a reflection of consistent performance inspite of going through turbulent times in the last four years as well as improvement in financial performance last year. This upgrade is recognition of the efforts of 'Team ICL'. We believe that, under BB+ category, we enter a different league of credit-rated companies. We hope this upgrade will enable us to get finer rates from financial institutions and banks, enabling us to reduce our cost of borrowings.

We foresee the next few years as marked by high operational excellence that will catapult ICL into the big league of NBFCs not only in terms of size, reach and services but also technology and reliability. Going forward, our endeavour is to build self-reliant communities, empower entrepreneurs and fulfil emerging financial needs of our target customers through constant product customisation, deeper penetration and faster turnaround time.

Our model of doing business is socially inclusive. To this end, we have created financial solutions that empower and enable our customers to rise above their situations.

Ever since its inception and all through its growth, the company has kept a clear sight of its values. The basic tenet of these values is a strict adherence to ethics and a responsibility to all those who come within its corporate ambit - customers, shareholders, employees and society.

We understand that to be able to deliver on the dreams, we need to work together towards a common goal. Our long-standing experience in this sector and the expertise of our management provide us with the ability to understand the exact requirements of our target market.

At the heart of everything we do, we try to deliver excellent service, making customers connected with us feel recognised, respected and valued with each interaction. Dreaming together and delivering together, we help rural India take giant strides towards a better future. Our role is to connect the aspirations of New India with emerging opportunities, which will take the country to a new trajectory of growth.

ICL is one of the leading Non-Banking Finance Companies (NBFCs), with customers primarily in the rural and semi-urban area of India. During the year, we strengthened our position as one of the most preferred and trusted gold loan players in the markets we serve. We further continued to grow our portfolio of non-gold businesses like, Money Transfer, Foreign Exchange and insurance – to enhance our business diversity.

Looking back at the journey that began 27 years ago, a humble beginning mounted on a profound vision to enable dream for every needy Indian, translated into a fulfilling achievement. This accomplishment has lent us a new strength that has set us on the path of a larger vision of making the ICL Brand a household name. We are committed to further strengthening our capabilities that allow us to serve various financial needs of our customers – offering not only home loans but also protection and security for a better future. Our people are an important asset to us and are essential to secure the trust of our stakeholders at all times. We strive to be an employer of choice and are fully committed to improving the safety of our people. Our work environment encourages a culture of teamwork, continuous learning and work-life balance.

I would like to thank our entire team at ICL Fincorp Limited for their great work and dedication throughout the year. I would also like to express my gratitude to you and all the stakeholders for the trust and faith that you have reposed in us. As we move into another exciting year, we continue to seek your support. We remain steadfast to our consumer focused philosophy to accelerate our momentum and deliver success for all our stakeholders while balancing our responsibility to society and the communities at large.

Every time we reach a milestone, we feel we have just begun... This enthusiasm to take every challenge as an opportunity has played a vital role in laying the foundation of this Company. We are committed to our mission of excellence through endeavors and start this new financial year 2018-19 with the same spirit and enthusiasm. We are aware of the fact that we have miles to go and promises to keep and firmly believe that together we can and we will...

I, therefore, remain excited about our growth prospects and continue to firmly believe in our leadership team as well as our highly knowledgeable and effective Board, which I have the great privilege to lead. We are uniformity in our thinking that ICL has unlimited potential to serve the needs of our market and deliver value to all our stakeholders.

On behalf of my colleagues on the Board of Directors, I take pleasure in applauding the indefatigable efforts of the entire team of ICL – now over 600 people – for their exceptional performance in the last financial year. I would also like to express our gratitude to the regulators, bankers, and our shareholders and customers for their continued support.
