Profit before taxes	416	613	416	611
Tax expenses	131	150	131	150
Profit for the period	285	463	285	461

Note: The Company's subsidiary being not in active operation, there was no difference between the consolidated and standalone total revenue during the year.

OPERATIONAL PERFORMANCE

The year 2019-20 was a challenging one for the Company as for several weeks economic activities were much lower than previous year in view of CAA agitations and Covid-19 pandemic. Total production from Oxygen/Nitrogen plants at Saukuchi and Samaguri were 152.45 lakh Standard Cubic Metre (SCUM), which was about the same compared to previous year's production of 153.08 lakh SCUM. Sale of Nitrogen aggregating 65.77 lakh SCUM, mainly to the oil sector, was about the same compared to 65.28 lakh SCUM of previous year. Medical Oxygen gas sale of 22.10 lakh SCUM grew by 3% compared to the previous year due to better demand from the health care sector but Industrial Oxygen gas sale of 11.23 lakh SCUM dropped by 6% mainly because of lower industrial activities in the N.E. region. Sale of Liquid Oxygen during the year was 25.59 lakh SCUM which was higher by 15% compared to previous year. Dissolved Acetylene sale of 1.54 lakh SCUM dropped by 17% while Nitrous Oxide sale of 1.06 lakh SCUM fell by 2% over the previous year. Sale of Carbon Dioxide of 5.14 lakh kg dropped by 4% compared to 5.38 lakh kg of the previous year. The fall in production/sale was mainly due to decline in demand during the later part of the year. Besides its gas manufacturing activities, the Company also continued to carry out its construction business in the oil and gas sector which largely contributed towards the overall growth in the Company's operational performance.

FINANCIAL PERFORMANCE

During the year under review, the Company's revenue from operations was ₹4547 lakh which grew by about 11% compared to ₹4101 lakh of the previous year. The turnover improved mainly due to better price realization and growing demand for Nitrogen and Medical gas inspite of drop in sale of Industrial gases. Higher contribution from the construction business also improved the Company's revenue during the year. But profit before tax of ₹416 lakh dropped by 32% mainly due to drastic reduction in subsidies from Government compared to the previous year. The Company is hopeful that with growth in general economy and better industrial climate, it will be able to improve its financial performance in the coming years.

The Company has been maintaining an excellent track record with banks and FIs. The Company is availing term loan and working capital facilities from SBI. From the end of the financial year till the date of this report, the Company has been timely servicing the aforesaid term loan and working capital facilities, as before. During the year under review, the Company was rated 'BBB+' by the rating agency CARE for the Company's borrowings.

BOARDS' REPORT (Contd.)

The financial statements for the year ended March 31, 2020 has been prepared in accordance with the Indian Accounting Standard (Ind AS) notified under Section 133 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014. The estimates and judgments relating to the Financial Statements are made on a prudent basis, so as to reflect in a true and fair manner, the form and substance of transactions and reasonably present the Company's state of affairs, profits and cash flows for the year. The Notes to the financial statements adequately cover the standalone and consolidated Audited Statements which are made an integral part of this report.

There are no material changes and commitments affecting the financial position of the Company from the end of the financial year to the date of this report.

STATE OF AFFAIRS OF THE COMPANY

During the year under report, the Company was engaged in the business of manufacture, trading, services and construction of facilities of industrial gases, medical gases and natural gas. During the year, supplies were satisfactorily made to the clients, mostly from the core sector oil & gas, hospitals, food and beverage industries and in the infrastructure sector, among others mainly within the N E Region and nearby states. The primary products of the Company Oxygen and Nitrogen contributed about 37.33% and 25.07% respectively of the total turnover while contributions from Dissolved Acetylene was around 8.16% and from the other items like Nitrous Oxide and Carbon Dioxide in the aggregate were around 9.26%. Revenue from services was about 19.38% of the total turnover including contribution from Construction services of about 16.94%. There has been no change in the nature of business of the Company during the year.

EMERGENCE OF COVID-19 AND ITS IMPACT

Towards the end of the financial year 2019-20, the World Health Organization (WHO) declared the Novel Coronavirus disease (Covid-19) a global pandemic. Consequently, the Government of India on 24th March, 2020 notified the first nationwide lockdown to contain the outbreak of Covid-19. This has impacted the overall economy including the Company's normal business operations. The Company has taken necessary measures to assess and mitigate the impact of the challenges being faced by it. In this direction, having regard to the guidelines issued by the Government, the Company made special efforts to sustain operation of its manufacturing units with minimum manpower, social distancing and other precautionary measures with a view to catering to the demands from its customers from the oil & gas, health care and other core sector industries which were in operation during the ongoing Covid-19 pandemic and thereby minimizing disruption of service to its customers. The Company focused on the well-being of its employees, controlling its costs, maintaining liquidity and monitoring its supply chain to ensure that the effect on its overall operations are minimized. It had also participated in the health care including preventive health care activities under its corporate social responsibility (CSR) programmes.

From the end of the financial year till the date of this report, several extensions to the lockdown were announced by the Central and State Governments. The impact of the pandemic on the overall economic environment being uncertain, it is difficult to assess the future impact on the Company's business operations, which may affect the Company's current estimates and assumptions. As the situation is unprecedented, while the lockdown is gradually being lifted with relaxations, the Company is closely monitoring the evolving situation and carrying out its business operations with renewed measures and abundant care and caution in line with the guidelines issued by the Government from time to time. The Company is putting efforts in strengthening its value chain including its engineering capabilities, market leadership and financial strength to maintain its competitive advantage to tide over the present crisis and does not anticipate any challenges in its ability to continue as a going concern and meeting its financial commitments.

FUTURE PLANS & PROSPECTS

Looking at the present industrial scenario and gradual improvement in the overall economic environment subdued by the ongoing Covid-19 pandemic, the Company has taken affirmative steps towards its future scope for growth in the gas business. It is putting special efforts towards improving its scale of operations, capacity building and in identifying potential markets for gases across the N.E. Region and beyond. With revival of the industrial climate, it projects a good growth in demand for industrial, medical and other specialty gases in the future. Possible growth is anticipated in the activities of the core sector oil industries and resumption of projects in the infrastructure, railways, power and health care sectors in the N.E. region. To meet the future growth in demand, the company has already operationalised its new technology Oxygen/Nitrogen unit at Samaguri in the Nagaon district of Assam besides operating its existing manufacturing units at Guwahati, Assam. With its bigger manufacturing facilities, the Company had positioned itself and is ready to cater to the future growth in market demand. The Company also

BOARDS' REPORT (Contd.)

foresees growth in its Construction business in gas sector and has been successfully executing several pipeline and infrastructure projects of the oil & gas industries. With these relentless efforts, the Company is hopeful of increasing its scale of operations and improve its level of performance in the coming years. However, the impact of the pandemic on the overall economic environment being long and uncertain, the Company has kept itself open to reassess the future impact on the Company's business operations with the evolving situation, which may affect the Company's current estimates and assumptions. The Company is hopeful that with improvement in the general economy and increase in industrial activities, it will be able to increase its scale of operations and attain sustainable growth in the coming years.

DIVIDEND

The Board of Directors are pleased to recommend a dividend of 12% per share, i.e., ₹1.20 per share on the 49,23,900 fully paid up Equity Shares of ₹10 each for the financial year 2019-2020.

Form No. AOC-2

(Pursuant to clause (h) of sub-section (3) of section 134 of the Act and Rule 8(2) of the Companies (Accounts) Rules, 2014)

Form for disclosure of particulars of contracts/arrangements entered into by the company with related parties referred to in sub-section (1) of section 188 of the Companies Act, 2013 including certain arms length transactions under third proviso thereto

1. Details of contracts or arrangements or transactions not at arm's length basis

(a) Name(s) of related party & nature of relationship: Assam Air Products Pvt. Ltd., Common Directors

(b) Nature of contracts/arrangements/transactions : Contact for sale of goods.

(c) Duration of the contracts/arrangements/transactions : From 01/04/2020 to 31/03/2023

(d) Salient terms of the contracts or arrangements or transactions including the value, if any

Sale of industrial gases viz., Liquid Nitrogen, Oxygen, Dissolved Acetylene, Nitrous Oxide, Carbon Dioxide, etc., to M/s. Assam Air Products Pvt. Ltd. subject to maximum total amount as follows :

Period	Maximum total amount
01/04/2020 – 31/03/2021	₹ 23.00 Cr
01/04/2021 – 31/03/2022	₹ 26.00 Cr
01/04/2022 – 31/03/2023	₹ 30.00 Cr

(e) Justification for entering into such contracts or arrangements or transactions :

i. PCL is the largest manufacturer of industrial gases in the N.E. Region and its new Oxygen/ Nitrogen plant has increased the total installed capacity of the Company to more than double of its existing production capacity. Thus, with its large production facilities, PCL can cater to the entire needs for industrial gases of the contractee company (AAP). Further, AAP has a large inventory of cylinders and cryogenic transport tankers for bulk lifting of products which are very much beneficial for PCL's plant capacity utilisation and saving additional investment in cylinders and cryogenic tankers.

ii. The contractee company AAP is the largest dealer of industrial gases in the N.E. India and in addition to the market demand, it will also have its own continuous good growing demand for the requirement of industrial gases for its new Compressing units, which will help PCL's plant capacity utilization and sales volume to a great extent.

iii. The contract is of necessity for marketing the products and utilizing the Company's installed production capacity and thereby to maintain the scale of operation and remain viable.

(f) Date(s) of approval of the Board : Board approval dated 13/02/2020 preceded by approval of the Audit Committee of the Company pursuant to the Company's policy on related party transactions as per the provisions of the Companies Act, 2013, Rules made thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

(g) Amount paid as advances, if any : Nil

(h) Date on which the special resolution was passed in general meeting as required under first proviso to section 188 : The special resolution was passed by the shareholders at the Extraordinary General Meeting of the Company held on 23/03/2020.

Note: During the year 2019-20, the Company entered into the renewed contract dated 01/04/2020 for a period of three years in line with the earlier contract dated 01/04/2017 subject to the annual maximum total amount, and after obtaining the prior approvals mentioned above. The Contract was entered in accordance with the Company's policy on related party transactions as per the provisions of the Companies Act, 2013, Rules made thereunder and the SEBI Listing Regulations and the same has been disclosed in the Annual report and in the Company's website: www.premiercryogenics.com.

MANAGEMENT DISCUSSION & ANALYSIS

OVERVIEW:

The year 2019-20 was a challenging one for the Company as for several weeks economic activities were much lower than previous year in view of CAA agitations and Covid-19 pandemic. Depending on the situations, it continued to carry out operations in the business of manufacture, trading, services and construction of facilities of industrial, medical and natural gases. Total production from the Oxygen/Nitrogen plants at Saukuchi and Samaguri were 152.45 lakh SCUM which was about the same compared to the previous year. Demand for Nitrogen with aggregate sale of 65.77 lakh SCUM mainly to the oil sector was about the same compared to 65.28 lakh SCUM of previous year while Medical Oxygen gas sale of 22.10 lakh SCUM grew by 3% mainly due to better demand from the health care sector. But sale of Industrial Oxygen gas of 11.23 lakh SCUM dropped by 6% compared to the previous year. Sale of Liquid Oxygen of 25.59 lakh SCUM grew by 16% compared to previous year mainly due to demand from the gas compressing units across the region. Dissolved Acetylene sale of 1.54 lakh SCUM dropped by 4% while sale of Nitrous Oxide and Carbon Dioxide of 1.06 lakh SCUM and 5.14 lakh kg fell by 2% and 4% each respectively compared to the previous year. The decline in demand was mainly due to slowdown of industrial activities during the later part of the year. The Company also continued to carry out its construction business in the oil and gas sector and satisfactorily execute the ongoing pipeline and infrastructure projects in the oil sector industries. With these performances, the Company achieved a turnover of ₹4547 lakh which grew by about 11% compared to ₹4101 lakh of the previous year. But profitability of ₹416 lakh dropped by 32% mainly due to drastic reduction in subsidies from Government compared to the previous year. The Company is hopeful that with improvement in the economic conditions and increase in industrial activities, it will be able to achieve much higher growth and profitability in the coming years.

INDUSTRY STRUCTURE & DEVELOPMENTS:

The Company has been operating in the industrial gases industry for over two decades. During this period, the industrial gas market had witnessed steady growth across various sectors and potential markets have emerged within the NE Region and beyond. Over the years, the Company has gained rich experience in the industry with proven technical expertise in the field of gas production, distribution, bottling and in several industrial and medical gas applications and has been able to tap the growing market and operate successfully. With the addition of new manufacturing facilities, the Company could cater to the market demand and meet the needs of a variety of industrial gas consumers mainly from the core sector oil industries, State Vety. depts, research laboratories, Railways, Food processing, Infrastructure and Health care sectors. By operating a bigger and better Nitrogen/Oxygen unit at Samaguri in Assam besides running its existing manufacturing facilities at Guwahati, Assam, the Company had positioned itself to meet the future demand of the gas industry and maintain its leading position mainly in the N.E. region. The Company is presently catering to about 70% of the market demand of the region which are mainly from the aforesaid consuming industries. Besides its primary business of manufacture and trading of industrial, medical and other gases, the Company also carries out projects relating to construction of facilities in the gas sector and could successfully execute several pipeline and infrastructure projects in the oil & gas industries. With gradual improvement in the general economic conditions post Covid-19 pandemic, increase in industrial activities and resumption of projects in the infrastructure, power and other core sectors, the Company expects a surge in demand in the industrial gas market in the coming years.

OPPORTUNITIES, THREATS, RISKS & CONCERNS:

Being in a specialized industry, the Company has a variety of opportunities. Its main products, Oxygen & Nitrogen are produced by atmospheric air separation having no raw-material cost. Sale of Dissolved Acetylene has the potential of increasing Oxygen sale due to their joint applications. The Company's existing facilities being located at Guwahati, the hub centre of the region, and the new unit at nearby area of Samaguri in middle Assam; it enjoys comparatively lower freight cost and stable power supply. The new unit being a latest technology energy efficient plant, the Company enjoys comparatively lower power cost reducing the unit cost of production and giving competitive advantage. The promoters being highly experienced technocrats, potential for growth and development is higher. The gas products being critical inputs for the oil sector and other industrial and medical gas users have a good growing demand.

MANAGEMENT DISCUSSION & ANALYSIS (Contd.)

In spite of the opportunities, the Company considers certain potential risks and threats specific to the industry. Manufacture of O₂/N₂ is critically dependent on power. Any disruption in its supply will adversely affect production. Further, any hike in tariff will inflate the unit cost of products. Calcium Carbide, a major input for DA, is sourced from distant States having the risk of erratic supply and price escalation. The Company supplies mainly through open tenders which are subject to market competition. The Company enjoys benefits relating to tax refunds and other incentives as per the Government Industrial policies. Any change in policy or non-receipt of incentives will affect performance. The Company's business activities are critically dependent on the economic activities of several core sector industries. Any adversities in their performance either due to industry specific causes or due to general economic slowdown because of any social or other causes including the impact of Covid-19 pandemic will adversely affect its performance. The Company is hopeful that with improvement in the general economy supported by proactive policies of the Government, it will be able to overcome the potential risks and threats as anticipated and improve its level of performance.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE:

The Company operates in a single business or geographical segment engaged in the business of manufacture and trading of industrial, medical and other gases and in construction of gas processing facilities. The Company's products include Oxygen, Nitrogen; Dissolved Acetylene and Nitrous Oxide. During the year, sale of Medical Oxygen gas of 22.10 lakh SCUM increased by 3% and Liquid Oxygen of 25.59 lakh SCUM by 16% compared to the previous year. Nitrogen sale of 65.77 lakh SCUM which was sold to major customers from the Oil sector and State Vetry. Depts. was about the same compared to 65.28 lakh SCUM of the previous year. But Industrial Oxygen gas sale of 11.23 lakh SCUM dropped by 6% mainly due to lower demand from the local industries, Railways, and construction sector compared to the previous year mainly due to lower industrial activity in the region. Sale of DA of 1.54 lakh SCUM dropped by 17% compared to the previous year while Nitrous Oxide sale of 1.06 lakh SCUM and Carbon Dioxide sale of 5.14 lakh kg fell by 2% and 4% each respectively compared to the previous year. The Company is hopeful that with better industrial climate and improvement in market conditions, it will be able to achieve better performance in the coming years.

INTERNAL CONTROL SYSTEMS:

The Company has adequate internal control systems commensurate with the nature and size of its business. The control systems are reviewed periodically and are improved upon as per requirement of the activities, particularly relating to sale of goods, purchase of stores, raw materials and other assets in line with the Company's policy on risk management. The Company has installed computer based systems with requisite software for specific job execution processes and on-line facilities were used in all the functional units. These measures have resulted in better internal checks and controls and facilitate real-time reporting and recording of transactions. The internal control system is supplemented by regular internal audits. Review of actions taken on the audit observations are done periodically.

The internal audit report and financial statements are reviewed by the Audit Committee of the Company on a quarterly basis. The observations of the Committee are acted upon by the Management. This has improved the Company's internal reporting process and its review and monitoring systems.

FINANCIAL PERFORMANCE:

During the year, the Company's financial performance was satisfactory. It could maintain financial stability and liquidity in its operations, carry out its fiscal plans and policies and meet the financial commitments on time. Adequate systems were put in place for regular monitoring and analysis of the fund flows including supply credits, recoveries, debts and repayments. The Company's annual revenue of ₹4661 lakh grew by about 7% over the previous year mainly due to demand for Nitrogen, Medical gas and construction business. But profit before finance cost, depreciation and amortization of ₹1280 lakh and net profit before tax of ₹416 lakh dropped by 13% and 32% respectively mainly due to drastic reduction of subsidies from Government compared to previous year. Major expenses like Power cost could be reduced comparatively by operating the new technology Oxygen/Nitrogen unit. Lower finance cost could be maintained with proper financial planning and timely repayments. Other operating expenses could be comparatively reduced

MANAGEMENT DISCUSSION & ANALYSIS (Contd.)

mainly due to stability in operation of the new manufacturing unit. The Company has been maintaining its profitability and paying dividend continuously for last several years. The key indicators of the Company's performance in comparison to earlier years are annexed to this report. With improvement in the general economic conditions and overall industrial climate, the Company expects better financial performance in the years to come.

The Company has been servicing its term loans from SBI. Working capital is being availed from SBI with cash credit facility of ₹600 lakh. The Company has also been able to maintain a credit rating of BBB+ and maintain excellent track record with banks and FIs.

INDUSTRIAL RELATIONS & HUMAN RESOURCE MANAGEMENT:

During the year under review, the Company continued its efforts to improve its human resources policies and practices. Emphasis was given on manpower planning, policy initiatives and deployment of skilled and experienced personnel in the operational units. Recruitment and selection of effective manpower were made for various organizational levels keeping in view the job requirements and scale of operations of the Company. Efforts were made in training and familiarization programs, quality performances, employee welfare, remuneration including incentives, bonus and rewards and labour relations. A congenial work environment was maintained. Performance appraisal was carried out for salary increments and promotions keeping in line with the Nomination & Remuneration policy of the Company. Relations between management and workers were cordial. The Directors acknowledge the efforts put in by the employees to improve the Company's level of performance during the year.

CAUTIONARY STATEMENT:

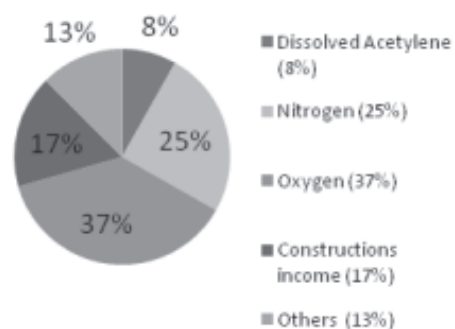

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations or predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic markets in which the Company operates, changes in Government regulations, tax laws, other statutes and incidental factors.

CORPORATE GOVERNANCE REPORT (Contd.)

CORPORATE POLICIES AND REPORTS

In accordance with the provisions of the Companies Act, 2013, the Stock Exchange Listing Agreement and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company adopted a Whistle Blower policy as a part of vigil mechanism, policy for managing risks, policy for Nomination and Remuneration, code for dealing in share and fair conduct; dealing with related party transactions, policy for determining material subsidiary, Corporate Social Responsibility policy, Documents preservation policy and a Code of conduct for the Company. Disclosure about the Company's policies and reports are given below:

Whistle Blower Policy

The Company has adopted a Whistle Blower Policy as a part of vigil mechanism to provide the Directors and employees in senior management of the Company with a mechanism to bring to the attention of the management any issue which is perceived to be in violation of or in conflict with the fundamental business principles and code of conduct of the Company. The policy provides for reporting such concerns through written communications to the Company and also makes provision for giving access to the Chairperson of the Audit Committee in appropriate and exceptional cases. Any case registered by the Company under the policy shall be subject to the review of the Audit Committee.

Policy on Risk Management

The Company has a Risk Management procedure based on its assessment of business risks generally and those specific to the industry. The policy on risk management has been formulated keeping in view the size of the Company and nature of its business and in line with the requirements of the Companies Act, 2013 and the Listing Regulations. It enables the Company to assess the risks identified through the business processes and functions, and address the same through mitigating actions in a systematic manner and on a continual basis. Some of the identified risks relate to competitive intensity and cost volatility. It takes into consideration a variety of risk factors such as market conditions, distribution and supply systems, geographical and social factors, financial, technical, legal and other compliance related factors. During the year, the Company faced the challenges of an economic slowdown due to the CAA agitation and Covid-19 pandemic. The Company took necessary measures to assess and mitigate the impact. It made special efforts to sustain operations with minimum manpower, social distancing and other precautionary measures with a view to cater to the demands and thereby

minimizing disruption of operation. The Company's Nitrogen/ Oxygen plants at Samaguri and Saukuchi in Assam were operational during the year. This ensured an increased production capacity to meet the market demand. The new technology plant at Samaguri had comparatively reduced power cost thereby reducing the unit cost of production. Having two operational plants also safeguards against the potential risk of a plant breakdown and continue with uninterrupted production as a risk management policy. The Company also carried out in-house plant maintenance and development of certain equipment parts as a measure for import substitution and hedging costs. These measures have enabled the Company to build a competitive advantage, thereby reducing the risk of sustainability in an otherwise volatile market condition. Efforts were also made for improvement in the control systems. The Company's internal control systems are commensurate with the size and nature of its business. These systems are reviewed periodically and recommendations by Audit Committee and Audit observations are taken into consideration for strengthening the risk management practices.

Nomination and Remuneration Policy

The Company has adopted a Nomination and Remuneration Policy pursuant to the provisions of the Companies Act, 2013 and the Listing Regulations. This policy has been formulated as a guide relating to appointment, remuneration, retirement and removal of Director(s), Key Managerial Personnel and Senior Management personnel. It inter alia focuses on identifying and ascertaining the integrity, qualification, expertise and experience of the person for appointment. It also lays down the policy on Board diversity, criteria for selection, appointment, remuneration, retirement and removal of Directors and KMPs, the terms and tenure for the Managing Director/Whole-time director and the independent directors. The policy also serves as a guide for the review and evaluation of performance of the Board and of the individual directors. It also covers the senior management personnel and other employees of the Company.

Policy for dealing with related party transactions

As per requirements of the Companies Act, 2013 and Listing Regulations, the Company formulated a policy on Related party transactions to ensure that proper reporting, approval and disclosure processes are in place for the transactions between the Company and related parties. The policy deals with the review and approval of material related party transactions keeping in view the conflict of interest that may arise because of entering into these transactions. It guides in ascertaining the materiality

CORPORATE GOVERNANCE REPORT (Contd.)

of contracts or arrangements entered into by the Company with related parties in relation to the nature and size of the transactions and also those which are carried out in the ordinary course of business or relating to arm's length transactions, if any. The Related party transactions are placed before the Audit Committee for review and approval of the Board and Shareholders and disclosed as per provisions of the Companies Act, 2013, the rules thereunder and the Listing regulations.

Policy for determining material subsidiaries

As per Regulation 16(1)(c) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company had formulated a policy for determining material subsidiaries, as may be required from time to time. The policy has been adopted to determine the material subsidiary(ies) of the Company upon identifying the same and to provide the governance framework for such subsidiary company(ies). It inter alia defines the materiality of a subsidiary, representation on its board, role of the Company's Audit Committee relating to its subsidiary, role of the management, and disposal of the material subsidiary.

Code of fair disclosure and conduct

Pursuant to the SEBI Regulations on prohibition of insider trading, the Company has adopted the Code for fair disclosure and conduct to establish a mechanism to restrict insider trading in shares of the Company. The Code prohibits the Directors of the Company and other specified employees dealing in the securities of the Company on the basis of any unpublished price sensitive information, available to them by virtue of their position in the Company. The Code prevents misuse of any unpublished price sensitive information and prohibits any insider trading activity, in order to protect the interest of the shareholders of the Company.

CSR Policy

In accordance with the provisions of Section 135 of the Companies Act, 2013 read with Rule 3 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 and Rule 9 of the Companies (Accounts) Rules, 2014, the Company constituted a CSR Committee and also adopted a policy on CSR. The Company's CSR policy is a guide for conducting its business with social responsibility and accountability. It lays down a systematic and dedicated approach towards implementing CSR projects or programmes for improving the quality of life of the people and society primarily in the areas in which it operates. It describes the focus areas and the methodology for implementation, governance, funding, monitoring and reporting the activities.

During the year 2019-20, the Company proposed to undertake CSR activities primarily in the areas of education for children in the primary and secondary levels and improving the facility of drinking water, sanitation, etc., Health care including preventive health care and in Disaster management including flood relief, etc. primarily in the districts of Kamrup/Kamrup(M) and Nagaon, Assam. Accordingly, during the year, the Company carried out the CSR activities and also proposes to continue CSR activities during the year 2020-21. As per the aforesaid provisions, a report on the CSR activities carried out during 2019-20 and those proposed for the year 2020-21 is annexed to the Board's report.

Document Preservation and Archival Policy

In accordance with Regulation 9 of the SEBI Listing Regulations, the Company has framed a Policy for Preservation and Archival of Documents. The objective of the policy is to classify the documents of the Company, for determining their preservation period, into two categories: (a) documents whose preservation shall be permanent in nature; and (b) documents with preservation period of not less than eight years. The policy also acts as a guide for determining the period for retention and retrieval of commercial and legal records in accordance with the needs of the company, statutory and other legal requirements including various aspects of disposal/destruction of the documents.

Code of Conduct

The Company had adopted a Code with the objective of conducting its business with responsibility, integrity and transparency. It is aimed for achieving excellence in all its dealings including standards of business conduct and is committed to attain the highest standards of Corporate Governance. In this direction, the Company strives to adhere to the highest ethical standards as well as in certain "core values" viz. transparency, fairness in all dealings, honesty of purpose, quality consciousness and customer satisfaction. The purpose of the Code is to ensure adherence to the core values and ethical standards in all its dealings both internal and external. The Code of Conduct is a tool in carrying out the Company's corporate responsibilities in a more effective manner. This code sets out broad policy for conduct of transactions both internal and external by the Company and by the Company's fellow Directors and Employees.

(The aforementioned policies and codes are available in the Company's website www.premiercryogenics.com.)

COMPLIANCE CERTIFICATES (Contd.)

Independent Auditor's Certificate on Compliance with the Conditions of Corporate Governance as per Provisions of Chapter IV of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (As Amended)

**To the Members of
Premier Cryogenics Limited**

The Corporate Governance Report, prepared by Premier Cryogenics Limited ("the Company"), contains details as stipulated in Regulation 17 to 27 and clause (b) to (i) of regulation 46(2) and para C and D of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended ("the Listing Regulations") ("Applicable Criteria") with respect to Corporate Governance for the year ended 31st March 2020. This report is required by the Company for annual submission to Stock Exchange and to be sent to the shareholders of the Company.

Management's Responsibility

The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal controls relevant to the preparation and presentation of the Corporate Governance Report.

The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

Our responsibility is to provide a reasonable assurance in the form of an opinion whether the Company has complied with the condition of Corporate Governance, as stipulated in the Listing Regulation.

We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Service Engagements.

The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures includes but not limited to verification of secretarial records and financial information of the Company and obtained necessary representations and declarations from directors including independent directors of the Company.

The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

Based on the procedures performed by us as referred in paragraph 7 and 8 above and according to the information and explanations given to us, we are of the opinion that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations, as applicable for the year ended 31st March 2020.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

STANDALONE FINANCIAL STATEMENTS

AUDITOR'S REPORT

INDEPENDENT AUDITORS' REPORT

To,
The Members of Premier Cryogenics Limited

Report on the audit of the standalone financial statements

Opinion

We have audited the accompanying standalone financial statements of **Premier Cryogenics Limited** ("the Company"), which comprise the Balance Sheet as at **31st March 2020**, the Statement of Profit and Loss, the Statement of Other Comprehensive Income, the statement of cash flows and the Statement of Changes in Equity for the year then ended, and notes to the standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profits including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) as specified under section 143 (10) of the Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements for the Financial Year ended 31st March 2020. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Standalone Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Standalone Financial Statements and our Auditor's Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the standalone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S REPORT (Contd.)

Auditor's responsibilities for the audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The balance sheet, the statement of profit and loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the accounting standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Standalone Financial Statements and operating effectiveness of such controls, refer to our separate report in Annexure "B" to this report;
- g) In our opinion, the managerial remuneration for the year ended 31st March, 2020 has been paid / provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act; and

AUDITOR'S REPORT (Contd.)

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us;
- The Company has disclosed the impact of pending litigation on its Financial position in its Standalone Ind AS Financial Statements, as referred to **Note No. 37 (b) and 37 (c)**.
 - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts; and
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure-A

To the Independent Auditors' Report on the Standalone financial statements of Premier Cryogenics Limited
(Referred to paragraph 1, under 'Report on other legal and regulatory requirements' section of our Report of even date)

- In respect of its fixed assets:
 - The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner. In accordance with this programme, fixed assets were verified during the year and no material discrepancies were observed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and nature of its assets.
 - We have inspected the original title deeds of immovable properties of the company held as fixed assets which are in the custody of the Company. We have obtained third party confirmations in respect of immovable properties of the company held as fixed assets which are in the custody of third parties such as mortgages. Based on our audit procedures and the information and explanation received by us, we report that all title deeds of immovable properties of the company held as fixed assets are in the name of the Company. However, we express no opinion on the validity of the title of the Company to these properties.
- The Management has conducted physical verification in respect of finished goods, stores, spare parts and raw materials at reasonable intervals. No material discrepancies have been noticed on physical verification of stocks as compared to book records.
- According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register as maintained under Section 189 of the Act. Accordingly, the provisions of Clause 3(iii) (a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- In our opinion and according to the information and explanations given to us, provisions of section 185 and 186 of the Companies Act 2013 in respect of loans and investments made have been complied with by the Company.
- According to the information and explanations given to us, the company has not accepted any deposits from the public. Therefore, the provisions of clause (v) of paragraph 3 of the order are not applicable to the company.
- We have broadly reviewed the books of account relating to materials, labour and other items of cost maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148 (1) of the Companies Act, 2013 and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, amounts deducted / accrued in the books of accounts in respect of undisputed statutory dues including Provident Fund, employees state insurance (ESI), Investor Education and Protection Fund, Income-tax, Tax deducted at source, Tax collected at source, Professional Tax, Sales Tax, value added tax (VAT), Wealth Tax, Service Tax, Custom Duty, Excise Duty, Cess and other material statutory dues have been regularly deposited by the company with the appropriate authorities.
According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, Excise duty, income tax, sales tax, wealth tax, service tax, duty of customs, value added tax, cess and other material statutory dues were in arrears as at 31 March 2020 for a period of more than six months from the date they become payable.

AUDITOR'S REPORT (Contd.)

b) Details of dues of Income Tax, Sales Tax, Service Tax, Value Added Tax, GST and cess which have not been deposited as at 31st March 2020 on account of dispute are given below:

Name of the Statute	Period to which the amount relates	Amount (Rs)	Forum where dispute is pending
Central Excise Act	Nov'07 to Aug'08	15,95,332.00	Hon. Gauhati High Court
Central Excise Act	Apr'10 to Apr'11	22,93,920.00	Hon. Gauhati High Court

- viii) Based on our audit procedures and on the information and explanations given by the Management, we are of the opinion that the Company has not defaulted in repayment of dues to a financial institution, Government, bank or debenture holders.
- ix) According to the records of the Company, the company has not raised any monies by way of initial public offer or further public offer. The term loan availed by the Company were, prima facie, applied by the Company during the year for the purposes for which the loans were raised.
- x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no fraud on the Company by the officer's and the employees' of the Company has been noticed or reported during the year.
- xi) According to the information and explanations provided by the Management, the managerial remuneration has been paid / provided in accordance with the provisions of Section 197 read with Schedule V to the Act.
- xii) In our opinion, the Company is not a Chit fund / nidhi / mutual benefit fund / society. Therefore, the provisions of clause 3 (xii) of the order is not applicable to the Company and hence not commented upon.
- xiii) In our opinion and according to the information and explanations given by the management, the company's transactions with the related parties are in compliance with section 177 and 188 of the Companies act 2013, wherever applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- xiv) According to the information and explanations given by the management and on an overall examination of the Balance sheet, the Company has not made preferential allotment during the year. Hence reporting under the clause (xiv) of paragraph 3 of the order is not applicable to the company.
- xv) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, the Company has not entered into any non-cash transactions with the directors or persons connected with them as referred to in section 192 of the Companies act 2013. Hence reporting under the clause (xv) of paragraph 3 of the order is not applicable to the company.
- xvi) According to the information and explanations given to us the provisions of section 45-1A of the Reserve Bank of India act, 1934 are not applicable to the Company.

Annexure-B to the Independent Auditor's Report of even date on the Standalone Financial Statement of Premier Cryogenics Limited

Report on the Internal Financial Controls under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial Controls over financial Reporting of **Premier Cryogenics Limited ("The Company")**, as of 31st March, 2020 in conjunction with our audit of the Standalone Financial Statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's Management is responsible for establishing and maintaining internal financial control; based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S REPORT (Contd.)

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting with reference to these Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting with reference to these Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting with reference to these Standalone Financial Statements and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting with reference to these Standalone Financial Statements included obtaining an understanding of Internal Financial Controls over financial reporting with reference to these Standalone Financial Statements; assessing the risk that a material weakness exists; and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Internal Financial Controls system over financial reporting with reference to these Standalone Financial Statements.

Meaning of Internal Financial Control over Financial Reporting

A Company's Internal Financial Controls system over financial reporting with reference to these Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Controls system over financial reporting with reference to these Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over financial reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting with reference to these Standalone Financial Statements, including the possibility of collusion or improper management overrides of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting with reference to these Standalone Financial Statements to future periods are subjected to the risk that the Internal Financial Controls over financial reporting with reference to these Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls system over financial reporting with reference to these Standalone Financial Statements and such Internal Financial Controls over financial reporting with reference to these Standalone Financial Statements were operating effectively as at 31st March, 2020, based on the Internal Control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS (Contd.)

Notes to the financial statements for the year ended March 31, 2020

1. Company Information

Premier Cryogenics Limited (the 'Company') is a public limited company domiciled in India with its registered office at 136, Maniram Dewan Road, Chandmari, Guwahati 781 003. The Company is listed on the Calcutta Stock Exchange (CSE). The Company is a market leader in the Industrial/Medical Gases business comprising primarily of Oxygen, Nitrogen, Medical oxygen, Nitrous oxide, Dissolved Acetylene in the North East India. The Company has manufacturing facilities at Guwahati and Samaguri in Assam and sells primarily in Eastern India through independent distributors and direct sales.

2. Basis of Preparation, Measurement and Significant Accounting Policies

2.1 Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The financial statements are presented in INR, the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency').

2.2 Basis of measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

2.3 SIGNIFICANT ACCOUNTING POLICIES

a) Property, plant and equipment

Property, Plant and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the Plant and Equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All repair and maintenance costs are recognised in profit or loss as incurred.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

An item of Property, Plant and Equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Depreciation on Property, Plant and Equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end and adjusted prospectively, if appropriate.

b) Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit or Loss when the asset is derecognised.

Intangible assets comprising of Software are amortised over the period of 5 years.

c) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet bases on current/non-current classification,

- . Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- . Held primarily for the purpose of trading;
- . Expected to be realised within twelve months after the reporting period ; or

NOTES TO FINANCIAL STATEMENTS (Contd.)

· Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when :

- It is expected to be settled in the normal operating cycle ;
- It is held primarily for the purpose of trading ;
- It is due to be settled within twelve months after the reporting period ; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

d) Inventories

Inventories are valued at lower of cost or net realisable value. Cost is determined on weighted average basis. Cost of inventories comprises all costs of purchase, duties and taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition. Cost of finished goods and work-in-progress includes the cost of materials, conversion costs, an appropriate share of fixed and variable production overheads and other costs incurred in bringing the inventories to their present location and condition. Net realisable value represents the estimated selling price in the ordinary course of business less all estimated costs of completion and costs necessary to make the sale.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are disclosed under Work-in-Progress.

e) Impairment of Non- Financial Assets

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual assets, the Company estimates the recoverable amount of the (CGU) to which the asset belongs. An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

f) Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

g) Employee Benefits

Defined Contribution Plans

Provident Fund and ESIC contributions are made to the respective regulatory authorities. The Company makes specified monthly contributions towards Provident Fund and Employees State Insurance Corporation. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The gratuity liability amount is contributed to Life Insurance Corporation of India under Group Gratuity Scheme for employees. The gratuity fund has been approved by respective IT authorities. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

NOTES TO FINANCIAL STATEMENTS (Contd.)

h) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

i) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss.

j) Revenue recognition

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, goods and services tax, etc.

Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

Revenue from EPC is recognised on the basis of stage of completion by reference to surveys of work performed.

Interest income from a financial asset is recognised on time basis, by reference to the principal outstanding at the effective interest rate applicable, which is the rate which exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Insurance claims are recognised to the extent there is a reasonable certainty of the realizability of the claim amount.

Dividend income is recognised when the Company's right to receive the payment has been established.

k) Government Grants

Government grants are recognised when there is reasonable assurance that they will be received and the Company will comply with the conditions associated with the grants. Grants that compensate the company for expenses incurred are recognised in profit or loss, either as other income or deducted in reporting the related expense, as appropriate, on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they are received. As per Ind AS 20, government grants related to assets, shall be presented in the Balance Sheet by setting up the grant as deferred income. In subsequent year this deferred government grant will be amortised over the useful life of the assets.

l) Financial instruments

Financial Assets

A. Initial recognition and measurement:

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

NOTES TO FINANCIAL STATEMENTS (Contd.)

B. Subsequent measurement

i) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at fair value through profit or loss.

m) Equity Investments

All equity investments are measured at fair value, with value changes recognised in statement of profit and loss, except for those equity investments for which the company has elected to present the value changes in 'Other Comprehensive Income'.

n) Impairment of Financial Assets.

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL). Expected credit losses are measured through a loss allowance at an amount equal to :

i. The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

ii. Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. Further the company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed. For other assets, the company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

o) Financial liabilities

Initial recognition and measurement:

All financial liabilities are recognized initially at fair value and in case of loans net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement:

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

p) Expenditures

Expenses are accounted on accrual basis.

q) Earnings Per Share

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

CONSOLIDATED FINANCIAL STATEMENTS

AUDITOR'S REPORT

INDEPENDENT AUDITORS' REPORT

To,
The Members of Premier Cryogenics Limited

Report on the audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Premier Cryogenics Limited** (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at **31st March 2020**, the Consolidated Statement of Profit and Loss, including other comprehensive income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, their consolidated profit including other comprehensive income, their cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) as specified under section 143 (10) of the Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Financial Statements for the financial year ended 31st March 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Consolidated Financial Statements and Auditors' Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Consolidated Financial Statements and our Auditor's Report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for preparation and presentation of these Consolidated Financial Statements in terms of requirement of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

AUDITOR'S REPORT (Contd.)

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to the Consolidated Financial Statements in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are independent auditors and whose financial information we have audited, to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended 31st March 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by Section 143(3) of the Act, based on our audit, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books;

AUDITOR'S REPORT (Contd.)

- c) The consolidated balance sheet, the consolidated statement of profit and loss including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
- d) In our opinion, the aforesaid consolidated financial statements comply with the accounting standards specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2020 taken on record by the Board of Directors of the Holding Company, none of the directors of the group companies is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Consolidated Financial Statements of the Holding Company and operating effectiveness of such controls, refer to our separate report in Annexure "A" to this report;
- g) In our opinion, the managerial remuneration for the year ended 31st March, 2020 has been paid / provided by the Holding Company and its subsidiaries to their directors in accordance with the provisions of Section 197 read with Schedule V to the Act; and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The Consolidated Financial Statements has disclosed the impact of pending litigation on its consolidated financial position of the Group as referred to **Note No. 37 (b) and 37 (c)** to the Consolidated Financial Statements.
 - b. Provision has been made in the Consolidated Financial Statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any on long-term contracts including derivative contracts; and
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary during the year ended 31st March 2020.

Annexure-A to the Independent Auditor's Report of even date on the Consolidated Financial Statement of Premier Cryogenics Limited

Report on the Internal Financial Controls under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of **Premier Cryogenics Limited**, as of and for the year ended 31st March, 2020, we have audited the internal financial controls over financial reporting of **Premier Cryogenics Limited** (hereinafter referred to as the "Holding Company") and its subsidiary as of that date.

Management's Responsibility for Internal Financial Controls:

The respective Board of Directors of the Holding Company and its subsidiary is responsible for establishing and maintaining internal financial control; based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company and its subsidiary's Internal Financial Controls over financial reporting with reference to these Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Companies Act 2013, to the extent applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting with reference to these Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

AUDITOR'S REPORT (Contd.)

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting with reference to these Consolidated Financial Statements and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting with reference to these Consolidated Financial Statements included obtaining an understanding of Internal Financial Controls over financial reporting with reference to these Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Internal Financial Controls system over financial reporting with reference to these Consolidated Financial Statements.

Meaning of Internal Financial Control over Financial Reporting

A Company's Internal Financial Controls system over financial reporting with reference to these Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Controls system over financial reporting with reference to these Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Control over financial reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting with reference to these Consolidated Financial Statements, including the possibility of collusion or improper management overrides of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting with reference to these Consolidated Financial Statements to future periods are subjected to the risk that the Internal Financial Controls over financial reporting with reference to these Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of the information and explanations given to us, the Holding Company and its subsidiary have, maintained in all material respects, an adequate Internal Financial Controls system over financial reporting with reference to these Consolidated Financial Statements and such Internal Financial Controls over financial reporting with reference to these Consolidated Financial Statements were operating effectively as at 31st March, 2020, based on the Internal Control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.
